Littering

Littering is when
someone drops something
on the ground on purpose.
Littering is bad because
it is not helping the
community and it is
not pretty. You can
prevent littering by
putting my stuff in
the trash. If you put
your garbage in the
trash the community
will be clean.

Black Panther

by Da’Jana Adams

Black Panther is a good movie. It was made in 2018. Chadwick Boseman is the main character. I like the movie because it was funny. Black Panther was the good guy in the movie. Killmonger breaks Kingbook. You will like Black Panther.
People have been kidnapping kids. Some people have white vans. When they get the kid they take them somewhere they don't want to be. The kid keep kicking the man kidneys. The mirror was as bright as the Sun. The kid ran far we could not see the kid the kid was very big. If I was there I will help but I help people and keep it to myself. If someone call I think they need help.

Zap Zone is by: Kalaya

Zap Zone is a wonder place for kids to play and have fun. It has all types of games such as laser tag, go cart racing, and bowling. My favorite game is a game where you have to guess the amount of money in the case.
Detroit Spotlight

On the news they said they are gonna fix the streets. Then a couple days later they start fixing my streets. So I was very happy.

Detroit Spotlight

- The chicken stickens is what I like about red robins.
- I can play so many games
- Even the waiters are very nice to me.
- My favorite thing about red robin is their birthday surprises. They give me when it's my birthday.

This is my affirmation about Red Robin!
The lead character and one worked at a restaurant. She took her son to work. She took her son there after work to the park and her son wanted to get his face painted and it was a long line. When she got off call from her friend. She couldn't fire her son. She was looking and turned around and saw her son. Then followed the car. She had a journey finding her son. It was exciting. I highly recommend seeing this film.

House Fire poem

House fires are bad it makes me sad
I don't want to see houses in flames,
It hurts me, it hurts me to the core it makes me really sore.
It's sad to see houses in flames it hurts me,
I don't want to see that anymore.
House fires are not good I should be understood.
It's not right I should be understood, it's not right our neighborhood should look good.
Once when I saw a fire it was not good, the flame danced, it lit up like the sun.
The fire said to me, "I will burn this house to ashes, and no one can stop me."

Kidnapping children

Kidnapping kidnapping all I see
what kind of city will just leave me be.
Even people are as scared as a freezing bee.
Guns are saying "get into the car or you die."
People please leave us be we didn’t mean any harm.
So give us a chance to be free. I can’t stand people who kill or do terrible things to people.
I won’t tolerate it any more!!! Let’s go save this world to never again.
So this world can be even stronger.

This is what I’m talking about parents and children.
Please stay safe so I don’t have to see another sad face.
