

CHANGE THE FACE OF POWER

Vietnamese Americans are actively changing the political landscape. With over 1.6 million Vietnamese Americans in the U.S., we stand to influence all levels of government through the promotion of leaders and policies that protect and advance the community.

Join Vietnamese leaders on August 25th to learn more about PIVOT and how we are mobilizing communities across the nation to strengthen our political voices.

Conversation led by Dr. Tung Nguyen & Linda Phan, Former Commissioners for President Obama.
