

Suga Mama's

Lemon Lung Slapper

(Cookies n Cream x Lemon Tree OG) x Apricot Octane #3

Avg THC: 27%-31%

60% Sativa/40% Indica

8-9 Weeks

Flowering Time: High Yield

Developed by Emerald Triangle underground breeder Majestic Genetics, LLS is a true all star. A complex nose, the LLS hits on lemon zest and apricot nectar with a notes of fuel which translates into the taste on inhalation. However Exhalation transitions to a flavor of creamy apricot. Blazing LLS is uplifting with an enhanced consciousness that heightens awareness that doesn't interfere with your focus and concentration. Excellent for artists and doers.
