

MOBILE

DEEM WORK FOURCE: MOBILE READY WHEN YOU ARE

All Business. No Trip. The most difficult part of any business trip is too often the trip itself. It shouldn't be. We make it easier for the traveler to get down to business without distraction. We make it simple for the manager to keep track of all the moving parts. And we support our partners with the information they need to stay competitive. We have 35,000 corporate customers and growing, and the world's largest travel management companies are now on the Deem platform. We've figured out how to cut through the crap in the travel business. **We get it.**

Deem Road Work for the traveler is a mission-achieving travel booking and management platform optimized for right-when-they-need-it problem solving. A seamless and full functionality experience available on IOS and Android devices.

With Deem Road Work, travelers own their itinerary from looking to booking, to stepping off the jet way, to arriving at their hotel. Road Work's mobile capabilities allow travelers to master travel disruptions, change reservations on the road, activate dynamic messaging and conquer expenses.

For Travel Managers: Deem Clock Work Mobile Features

Your job is mission control. Provide travelers with the industry-winning tools and best compliant choices. You crack the whip on costs and corral your program policies. Deem helps you win at traveler satisfaction, increases adoption and makes you the hero.

Compliance

Direct travelers to compliant options and help them make the best choices for them and the company.

Control Costs

Manage spend across all categories, even while travelers are in trip.

Convenience

Know your travelers are taken care of on the road, with access to a powerful mobile platform designed exactly the way they want.
