Introduction

The purpose of this directory is to provide a comprehensive listing of agencies in Pennsylvania, and to some extent nationally, which serves the needs of inmates, ex-offenders, victims of crimes and their families, criminal justice professionals, volunteers and support persons. This directory is also intended to promote networking among the various individual agencies working within the criminal justice system.

The compilation, publication and distribution of this directory are the cumulative efforts throughout the past 25 years of countless professionals, volunteers, inmates and concerned citizens.

Special recognition goes to Mr. Angus R. Love, Esq., Executive Director of the Pennsylvania Institutional Law Project and to Mr. Thomas L. Brewster, Executive Director of CentrePeace, for their leadership, support and commitment to this directory. Both of these men have dedicated their lives to making a difference in the criminal justice system and in the lives it affects.

Gratitude is also extended to the Pennsylvania Department of Corrections for their cooperation in distributing the directory to correctional institutions throughout the Commonwealth.

And finally, sincere thanks to the small staff of CentrePeace and to the army of volunteers for the hours of assistance they provided in making this directory possible.

Every attempt has been made to provide accurate and current information. Inevitably, errors will be found. CentrePeace would appreciate being notified of any corrections, additions or deletions.

The 2016-2018 Criminal Justice Advocacy and Support Directory is made available to individuals free of charge through the cooperative efforts of CentrePeace, Inc., and the Pennsylvania Institutional Law Project. These organizations are dedicated to working towards a restorative justice system that fosters human growth and development and provides support services to Pennsylvania Inmates, victims of crimes and their families.

Community Action Service Organizations

Your local Community Action Agency:

• Provides locally designed and implemented services that meet the specific needs of each community.
• Collaborates with and enhances the efforts of other neighborhood services.
• Coordinates a full range of local programs designed to have a measurable impact on poverty.
• Works because of local volunteer boards of directors consisting of community members, public officials and private sector representatives.

Among other services, community action agencies assist with basic needs such as food, clothing, fuel, housing, etc. Community Action's ultimate goal is to help low-income individuals and their families reach and maintain self-sufficiency. Contact the agency in your area to see what specific services are offered by that agency.

Pennsylvania Energy Assistance Programs

Budget Billing
All residential customers may contact their electric or natural gas company and request budget billing at any time. Each monthly bill will be the same amount. The company may adjust the bill four times a year, up or down, depending on the customer's usage.

Customer Assistance Program (CAP)
CAPs can lower your monthly utility bill. CAPs may also remove the amount you already owe. The different CAP names are shown beside the company names below. The company works with the customer to determine what the customer can pay verses the cost of energy used.

Customer Assistance Referral and Evaluation Program (CARES)
The CARES program helps customers with special needs. CARES may help you find ways to pay your utility bill. For example, special needs are customers who are experiencing family emergencies, divorce, unemployment, or medical emergencies. The goal is to provide support and direction to help customers pay their utility bills.

Low-Income Usage Reduction Program (LIURP)
LIURP helps low-income residential customers lower the amount of electricity or natural gas used each month. Typically, the company may install energy saving features in your home to help reduce bills. For example, smaller bills mean your payment covers a greater portion of the bill, or perhaps covers the whole bill.

Hardship Funds
Utility company hardship funds provide cash assistance to utility customers to help them pay their utility bills. Hardship funds provide assistance grants to customers who "fall through the cracks" of other financial assistance programs, or to those who still have a critical need for assistance after the other resources have been exhausted. The funds make payments directly to companies on behalf of eligible customers.

Assistance Qualifications
Customers must meet certain income limits and be payment-troubled to qualify for CAP, CARES, LIURP and Hardship Funds. Payment-troubled usually means customers have made a payment agreement with the company. The chart below shows the income levels customers must meet for CAP. The income levels are slightly higher for LIURP, CARES and Hardship Funds. Customers who meet these limits, should call their local electric or natural gas company for details to see if you qualify. Each company's toll-free number is listed below.
2015-2016 Household Size Annual Income

1 person $ 17,655
2 persons $ 23,895
3 persons $ 30,135
4 persons $ 36,375
5 persons $ 42,615
6 persons $ 48,855
7 persons $ 55,095
8 persons $ 61,335
9 persons $ 67,575 (For each additional person in the household, add $6,240)

Low-Income Home Energy Assistance Program (LIHEAP)
LIHEAP is the federal program that provides financial assistance to needy households for home energy bills. In Pennsylvania, the Department of Public Welfare (DPW) administers the LIHEAP program. The LIHEAP program provides both cash and crisis benefits to low-income households. Cash benefits help low-income customers pay for their home energy needs while crisis payments help meet emergency home energy situations.

Your household income must be within certain limits to qualify. These limits are listed on DPW's website at Energy Assistance - General Information.

For more information on LIHEAP and an application for, visit the Department of Public Welfare's website: LIHEAP Application Form

Federal Bonding Program

An Incentive Program for Hiring Individuals with Criminal Records

Highlights of the Federal Bonding Program

Fidelity bonding Services Are User-Friendly

• NO bond approval processing—local staff instantly issue bonds to employers.
• NO papers for employer to sign to obtain free bond incentive for job hire.
• NO follow-up and NO termination actions required for bond issued.
• NO deductible in bond insurance amount if employee dishonesty occurs.
• NO age requirements for bondee other than legal working age in State.
• NO other U.S. program provides Fidelity Bonding services.
• NO Federal regulations covering bonds issued.
• ANY job at ANY employer in ANY State can be covered by the bond.

What Is Fidelity Bonding?

• Insurance to protect employer against employee dishonesty.
• Covers any type of stealing: theft, forgery, larceny, and embezzlement.
• In effect, a guarantee of worker job honesty.
• An incentive to the employer to hire an at-risk job applicant.
• A unique tool for marketing applicants to employers.
• DOES NOT cover liability due to poor workmanship, job injuries, work accidents, etc.
• Is NOT a bail bond or court bond needed in adjudication.
• IS NOT a bond needed for self-employment (contract bond, license bond or performance bond.)

Why Is Fidelity Bonding Needed for Job Placement?

• Employers view ex-offenders and other at-risk job seekers as potentially untrustworthy workers, thereby, denying them job-hire.
• Insurance companies will not cover risky job applicants under commercial Fidelity Bonds purchased by employers to protect themselves against employee dishonesty.
• Anyone who has ever “committed a fraudulent or dishonest act” is deemed NOT BONDABLE by insurance companies, a situation leading to routine denial of employment opportunities for such persons.
• Being NOT BONDABLE is a significant barrier to employment possessed by the hardest-to-place job applicants; this barrier can be eliminated only by The Federal Bonding Program.
• Job bonding enables the employer to “obtain worker skills without taking risk.”
• Persons who are NOT BONDABLE can ultimately become commercially BONDABLE by demonstrating job honesty during the 6 months of bond coverage under the Federal Bonding Program (such commercial bonding will be made available by the Travelers Casualty and Surety Company of America; referred to hereafter as TRAVELERS).
Who Is Eligible for Bonding Services?

- Any at-risk job applicant is eligible for bonding services, including: ex-offenders, recovering substance abusers (alcohol or drugs), welfare recipients and other persons having poor financial credit, economically disadvantaged youth and adults who lack a work history, individuals dishonorably discharged from the military, and others.
- Anyone who cannot secure employment without bonding.
- All persons bonded must meet the legal working age set by the State in which the job exists.
- Self-employed persons are NOT ELIGIBLE for bonding services (bondee must be an employee who earns wages with Federal taxes automatically deducted from paycheck).
- Bonds can be issued to cover already employed workers who need bonding in order to (a) prevent being laid off, or (b) secure a transfer or promotion to a new job at the company.
- Bonding coverage can apply to any job at any employer in any State.

How Can Bonds Be Accessed Under the Federal Bonding Program?

- Any organization is now eligible to deliver bonding services under The Federal Bonding Program; for many years bonding services were almost exclusively delivered by the State Employment Service.
- All organizations issuing Fidelity Bonds must be “certified” to do so by The Federal Bonding Program.
- The Fidelity Bonds issued to employers covering at-risk applicants are made available exclusively to The Federal Bonding Program by Travelers which is not duplicated by any other U.S. program.
- Bonds are issued instantly to be in effect the day that the applicant is scheduled to start work; the bonds are self-terminating (no termination paperwork needed), and the employer does not sign any papers in order to receive the bond free-of-charge.
- The bond insurance issued ranges from $5,000 to $25,000 coverage for a 6-month period with no deductible amount (employer gets 100% insurance coverage); when this bond coverage expires, continued bond coverage can be purchased from TRAVELERS by the employer if the worker demonstrated job honesty under coverage provided by The Federal Bonding Program.
- Bond can be issued to the employer as soon as the applicant has a job offer with a date scheduled to start work.

Individuals Seeking Bonding

- The Federal Bonding Program provides fidelity bonding for the first six months of employment for hard-to-place job applicants. Call toll free: 1.877.US2.JOBS (1.877.872.5627)
