Northwest Regional Emmy® Awards 2024 Nominees – First release 4/05/2024
Be sure to review the nomination list. Did someone misspell your name? Did YOU misspell someone’s name? Is your role on the entry incorrect? Is the company name incorrect? Changes are easy. (and for 10 days NO CHARGE)

**TO MAKE CHANGES TO NOMINATED ENTRIES:**

Copy the category title and entry text from the nomination list and paste into your email program twice. Edit the second copy and highlight the changes to make them easier to see. It should look something like this:

(ie) Station Excellence

Old: Title of piece; company; John Doe, writer/director

New: Title of piece; company; John Doe, Writer/Producer

Email to northwest@emmyonline.tv with subject EMMY CORRECTIONS.

---

**Can an entrant be added to a nominated entry?**

DID YOU FORGET to include a "most responsible" person?

Have you just noticed a nominated entry does not include your name although you played an instrumental role in the production? Or, if you submitted the entry, did you just realize you failed to include the name of a person deserving to be on the entry?

After nominations are announced, there is a 10-calender day grace period in which names, under extreme, special circumstances, may be added to a nominated entry.

These requests must be submitted in writing to the Northwest Chapter Awards Committee (northwest@emmyonline.tv) preferably from the person who submitted the entry or station/company management, with a description as to the role played by the entrant to be added and why that person was not originally included on the entry.

If approved by the Northwest Chapter Awards Committee, an email notification and an invoice for $400.00 will be issued. This invoice must be paid by April 24. The decision of the Awards Committee is final.

**We will not take additions after April 15, 2024.**
