

Introducing our Invisalign® "Share Your Experience"

Making an informed and educated decision is critical to your overall health & wellbeing. We've found sharing experiences is a great way for everyone to learn.

Review Rebate

Your participation is easy. All we ask is for your honest feedback, the good, the bad and the ugly. Sharing & learning from one another makes the entire Invisalign® experience better for everyone. We need only your approval and a little of your time.

3 MINUTES

At each appointment, we ask for only a little of your time, to take your picture and show your progress along each step of the way.

APPROVAL

We ask for your signed consent to use your commentary and images in both print and online.

FEEDBACK

We ask that you provide us honest and unbiased feedback about your entire Invisalign® experience so everyone can learn.

SOCIAL MEDIA

We ask for your permission to "tag" you in our social media efforts and ask that if you post any comments about your treatment that you "tag" Bittner Family Dental Group.

VIDEO

To be eligible for the \$250 Invisalign® video rebate we ask that you "shoot" a 30-90 second video of your experience and post it on a minimum of YouTube and one other social media outlet. If you'd like assistance with the video, we can "shoot" it for you at the conclusion of your last appointment.

REVIEW

We would greatly appreciate your review on Yelp or Google+, however, a review is not a requirement of the "Share Your Experience" program.

Please call our office to learn more about the "Share Your Experience" program and set a complimentary Invisalign® consultation. We are here to help.
