

The 2017 Dress Rehearsal Schedule: Welcome to the stage! It is important to arrive at the Call Time so faculty can organize classes, review, answer questions, and maintain a calm and organized rehearsal atmosphere. Dress rehearsal is part of the performance commitment and will ensure dancers feel confident the day of the show. We will do our best to run according to the schedule below.

Thank you for your cooperation. We look forward to seeing all of our beautiful students step onto the stage!
