## CATERING FAQs

### HOW MANY SLICES COME IN A PIE?

Both our round and square pies come with 8 big slices

### HOW MUCH PIZZA SHOULD I ORDER?

It depends on your group, but generally we suggest two slices per person. If it's a group of young kids you can go with slightly less, and if you're feeding a bunch of hungry adults you might want to add a few pies! We have small, medium, and large party packs available for easy ordering on Page 2!

### DO YOU DELIVER?

Yes! For regular online orders under \$349 we partner with DoorDash to deliver within 5 miles from any location for \$5.50, orders \$350+ \$30. For catering pre-orders we offer delivery within 10 miles of any location for \$30 and 11 - 18 miles for \$40 with a minimum order of \$150.
