"ROCK"ING FIELD TRIP!

On Tuesday September 26, the 3rd-6th grade classes went on a stellar field-trip to the OH so spectacular Hanson Cement Co., where they were shown the making of cement roads, buildings, and more. During the field trip, the children of LWCA took pictures, ate lunch at the cement company, traveled 300ft underground, and took a picture in front of a massive bulldozer! They were even given amazing gifts and candy!!

GRANDPARENTS' TEA/POETRY RECITATION

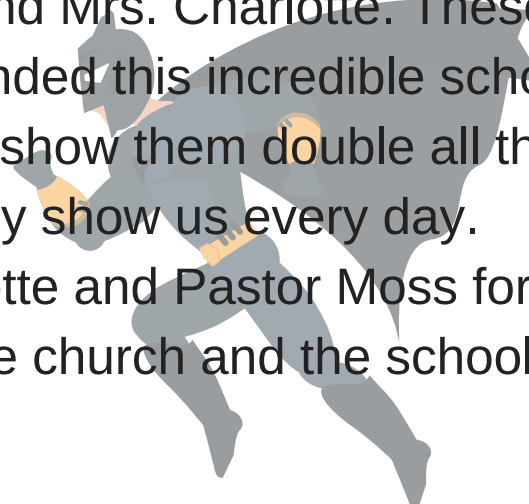

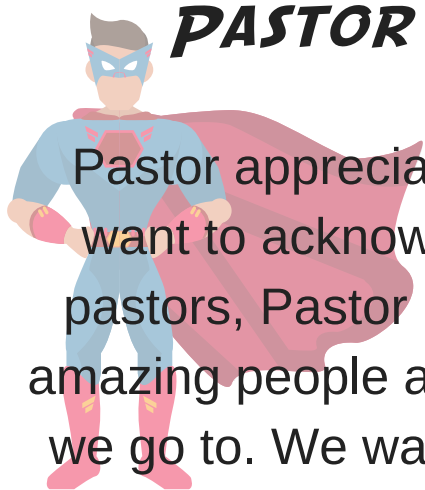

Our Poetry recitation was amazing! Congratulations to all the winners! All the participants did a great job. The Grandparents' Tea was postponed due to the hurricane, but we had a blast celebrating on Friday. The classes and individual winners recited their poems and it went great! Happy belated Grandparents' Day!!!

PASTOR APPRECIATION DAY!

Pastor appreciation was an amazing event! We want to acknowledge our wonderful and loving pastors, Pastor Moss and Mrs. Charlotte. These amazing people also founded this incredible school we go to. We wanted to show them double all the love and support they show us every day.

Thank you Mrs. Charlotte and Pastor Moss for everything you do for the church and the school.

WHAT A MONTH!

Due to Hurricane Irma and the unforeseen break, we haven't been able to produce a newspaper recently. We definitely have a lot of past, present, and future events to discuss!
