Monochrome is defined as the exploration of one color, working through variations in shade, tone, and tint of a single hue. As you explore, consider the history and symbolism of colors. Across all cultures, words for colors appear in stages; blue usually arrives last to a language. Red often symbolizes power, warning, passion. Green has long been associated with verdant growth and environment. Artists who work with monochrome include Ellsworth Kelly, Yves Klein, Josef Albers, and Frank Stella.  
What color will you choose and what does it mean to you? For this show, all monochrome variations of colors in the color wheel are encouraged. All media welcome. This is a juried show.

**PATRON party Fundraiser**  
03.01.20-03.16.20  
Support the Arts – Be a Patron! The Patron’s Party, a brand new fundraising event for CAL is sure to become a favorite annual event. It’s part “art auction”, part raffle, all fun, with a twist. Here’s how it works... Our fabulously talented community of artists will donate original works worth $150 or more. (Some may be worth thousands!) There will be one ticket available for each work. On the evening of the Patrons’ Party drawing (Monday, March 16th, 6:30pm-9pm), tickets are randomly drawn and when the name of each ticket-holder is announced, they may select an available work of art from the show. For the price of a ticket ($150 per patron), you will go home with a one of a kind, original artwork. Which one will depend entirely on the order in which your name is drawn.  
Prior to the drawing, the show will be on view in the Gallery, allowing ticket-holders to scout out their favorites. On the night of the event, Patrons will enjoy music and refreshments in the Missouri Theater lobby while they await the luck of the draw.  
Has Lady Luck been a fickle friend to you? We can help you improve your odds. For $25, any ticket holder can purchase additional chances to be “drawn first”. You’ll have your pick of the litter!  
Artwork on display: March 1st-March 14th  
Event/Party: Monday, March 16th, 6:30pm-9pm  
Patron’s Party Fundraiser | March 1st - March 16th

**VISUAL MIXTAPE**  
03.19.20-04.30.20  
Much like the music that makes up the soundtrack of our lives, the artists who have influenced us are part of our history. Our artistic lineage includes artists we react to, mimic, study, learn from, reject, understand, and converse with. Which artist has influenced you either in medium, subject, style, or practice? Make your artwork to reflect that influence. Will we be able to spot the connection?  
The intention of this show is not to copy or remake a master artwork, but to show us the artist(s) who most influences your style in your own artwork. All media welcome. This is a juried show.  
Drop off March 17th & 18th | Pick up May 1st & 2nd  
Reception March 20th from 6pm-8pm
