

RVA High School Course Sign Up - 12th Grade

In order to graduate from high school, students are required to complete 24 credits. If enrolled through a Consortium District, requirements may vary. To ensure students are prepared for graduation, 12th graders must complete the remainder of their credits required for graduation. In addition, all students need to complete 8 hours of community service per year.

For assistance in scheduling, please contact the RVA Office at 1-888-801-2666
