

SOUL SURVIVOR WITH JERRY UNGER

Management by Jerome William Unger Entertainment, LLC

Oh Man I LOVE that song !!!

- “I haven’t heard some of these songs since they played albums on the radio.”
 - Fan at Circle B
- “Now this is Classic Rock... Stones, Beatles, Doors, Bowie, Led Zeppelin”.
 - Fan at the Roadhouse at Diefenbach Corners
- “These guys are a breath of fresh air. Straight Rock and Soul Music.”
 - Hunter S. Thompson

My name is Jerry Unger. I manage and play with the band “Soul Survivor”. This group has been a dream of mine for a long time. My big brother, aka Big Daddy, and I, played many of the numbers in the Soul Survivor set list back when the songs were first on the radio. Then Disco came along, and more recently, New Country. Now most of those great songs and groups are lost from the radio. The current FM radio Classic Rock stations don’t even scratch the surface.

The 60’, 70’s, and 80’s. That’s when hard hitting Rock and Soul music was in its prime. Groups like the Stones, Beatles, Temptations, Doobie Bros., Joe Cocker and others were all over the airwaves. Many of us grew up listening and digging that music. So where you can you go to hear it again? Live and in color?

Enter Soul Survivor. This is a powerful lineup with Bill Unger on guitar, Bill Lambrecht on Bass and Vocals, John Schultz on Congas, Rick Ranz on Drums, Natalie Howard on guest vocals, and myself, Jerry Unger on guitar, piano and vocals. Our set list will take you back and get you up out of your seat rocking to the music.

Nonstop music and action and a fast pace, is the norm. The band can turn on a dime and match songs to the groove of the audience. You will hear songs by great bands like The Doors, Steppenwolf, Steely Dan, The Doobie Bros. and others. But not just the 3 or 4 hits they play on the Classic Rock stations. You will hear the other great songs that shaped the music of Rock and Soul right on through today. Album rock at its best.

Management by Jerome William Unger Entertainment, LLC

If you are interested in a high energy band for your event, look no further. You will not be disappointed. As Jim Morrison said “Is everybody in? Is everybody in? The Celebration is about to begin.....”.

Thanks - Jerome William Unger
