CATERING MENU

POLICY FOR CATERING

Café Mumford's is a full-service catering company. The amount and type of service you require will of course depend on the style of your event, your needs and your budget. We offer full-service catering and event coordination at your location. Delivery, drop-off and carry-out services are available. We can do as much or as little for you event as you'd like. The menu choices shown here offer a starting point for your selection, but we're happy to customize a menu for you.

SERVICE

Your menu selection and style of service desired will determine the cost of labor. The cost of staff is \$25.00 per hour for server/chef/bartender (with a minimum of 4 hours, starting ½ hour before staff arrives on-site to pick-up food and equipment). Server/chef/bartender fees are paid separately from food bill. Service can only be provided if Mumford's is catering at least some of your event, if not all.

PRICING

When using our full-service menu, your event will be priced per person. When using our pick-up/take-out menu, your order will be itemized.

(If you choose to itemize your full-service event, a 5% usage charge for equipment applies.)

RENTALS

We will gladly coordinate all of your rental needs, whether simple or elaborate.

DEPOSITS & PAYMENTS

A credit card number is required for confirmation of contract. We accept cash, checks, VISA, MasterCard and American Express. For credit card payments, a 3% surcharge applies for totals over \$200.00. All payments for services rendered must be paid the day of event, unless prior arrangements have been made with Chris Mumford.

GUARANTEE

The total number of people in attendance at your event is required 7 days prior to the function. This total will be considered final and is not subject to reduction. Should your guest count increase, you will be billed for additional guests at the rate agreed upon in the contract.

INCLEMENT WEATHER

During the winter months when snow is predicted, Mumford's will contact the customer to make a decision regarding scheduled catering. Mumford's requires a full 72-hour notice if you are thinking of cancelling or postponing any catering. At that time, the customer will be responsible for any prep made on their behalf. If the decision is to go ahead with the order/contract, the customer is then responsible for payment in full, no matter what the weather brings.

****BY PROVIDING YOUR CREDIT CARD NUMBER, YOU ARE AGREEING TO THESE TERMS****
