

38th Annual Fall Show & Sale

The Denver Museum of Miniatures, Dolls & Toys

September 5 - 9, 2018

The Denver Museum of Miniatures, Dolls and Toys is ready to celebrate their 38th annual Fall Show and Sale. We have a great party in store for you — *Bon Appetit!*

As the famous French Chef Julia Childs said, "A party without cake is just a meeting." Well, we have cake, and we have great dealers and workshops, and a fabulous exhibit room, sure to inspire everyone. Please join us for the best party on the block! Attend the banquets and you may be able to have your cake and eat it too!

Who's in the kitchen with Nancy and Marcia? Could be you—they will be waiting to help you assemble a miniature kitchen and then you can add all the foods and fun that will make your kitchen the heart of the home. Those banquet gifts may be able to help you furnish the kitchen.

Please read through this packet carefully to see all that the Fall Show is offering, then support the show and the museum by signing up for a great time to be had by all. Weekend Packages are limited, so sign up early.

Another of Julia's famous quotes is, "People who love to eat are always the best people." We say, "people who love miniatures are always the best people!" Looking forward to seeing all of you, "the Best People," at our 38th annual Fall Show.

Sunday: 1:00 pm - 3:00 pm

Come early to shop

The Children's Workshop is based on the story of "The Borrowers" by Mary Norton. Underneath the kitchen floor is the world of Pod and Homily Clock and their daughter Arrietty who are little people. Matchboxes double as dressers and postage stamps hang on the walls like paintings. Whatever the Clocks need in their tiny home, they simply borrow from the human "beans" who live above them. The children will turn a cigar box into the Clock's home by using their imaginations to furnish the home.

Must be registered and prepaid.

Children's Sales Table

Located in the Sales Room you will find an area behind a large white screen where only the children are allowed to shop. **No adults allowed.** This area will be stocked to the brim with all kinds of fun miniatures that only the children can come in to pick out and pay for. The prices are very affordable for all aspiring young miniaturists. We hope that they will have fun doing their own picking and choosing and shopping with their own money at the **Kids Only Table** - Ages 6 - 16.

Make-It / Take-It Workshops

Suzanne Richards - 2018 Inspirational Miniaturist

Suzanne, our “inspirational miniaturist” for the 2018 Fall Show, is a talented and modest lady. She grew up on a farm with her four siblings. With precious little in the way of toys, they found many creative ways to have fun, including performing plays in their garage. The special part of that activity for Suzanne was “decorating” the garage appropriately with her sister Janet. Today the best part of miniatures for her is “setting the scene” as opposed to building and working with wood (which she will do on occasion). As a young girl, she was always fascinated with decorated store window displays, particularly around Christmas time, thinking that someday this is what she would like to do when she grew up.

Suzanne, a retired teacher, became interested in miniatures in the late 1980’s, when she and a friend, Tina Grimmer, attended their first miniature show in Evergreen - they were hooked from the start. After learning about a miniature club, the Aurora Mini-Maniacs, they soon joined and have been members ever since. One of the first things she made was a vignette of her grandfather’s grocery store in Ohio. The Club has regularly worked on specific projects for club display in the exhibit room for every DMMDT Fall Show. Over the years Suzanne has generously donated many pieces to Museum fund raisers. She has served on the Board of the Museum, chaired and served on numerous Fall Show Committees as well as having been a loyal volunteer at the museum regularly until her husband Bob became ill in 2005.

She has never owned a dollhouse but usually uses frames, boxes or bags in which to create her miniature scenes. Currently she enjoys using “book” boxes and paper theatres and loves to work creatively with paper. She prefers half-scale but has done both half and one inch scale work. Suzanne is also very interested in “scrap-booking” and making greeting cards, belonging to groups which get together regularly to work on them. Her creative cards use numerous techniques including stamps, cut outs, trims, jewels and decorative papers, to name a few. She loves pop-up books and antiques and has an interesting and eclectic collection of both.

Please visit the Fall Show Exhibit Room for a special showing of many of Suzanne’s wonderful creations.

Exhibit Room

We hope you will consider sharing your favorite miniatures in the Exhibit Room at the show this year. The show theme will be carried out in the decor and will showcase artisan talent - beginner to advanced on any subject matter. Gallery style room boxes, imaginative container displays and vignettes, sculptures, dolls and other interesting collections have been displayed in the past. In order to share what everyone has been working on this past year, exhibits of all kinds and themes will be considered for display.

The completed form must be submitted to the Exhibit Room Chairperson by August 25, 2018 to be eligible for display. Exhibits will be considered on a first come, first served basis, due to limited space. Pre-approval must be obtained before the set up date on Friday, September 7.
