- Mr. Barnes recommends each marcher have at least 2 pairs of gloves. Most marchers order 3 pairs of gloves. One to use as practice gloves.
- Fingerless gloves are preferred by some woodwind players. Check with your section leader if in doubt.
- Nylon gloves are one size fits all, but best fit an average size hand. If you have larger or smaller hands, the cotton gloves will be a better fit. Some prefer the cotton for breathability and moisture absorption.

### **Guard Gloves and Shoes**

- The gloves seem to run small.
- Nude is the only color needed. If an additional color is needed, you will be contacted separately.
- Shoes will be ordered locally and will be coordinated by the color guard representative.
