STATIONARY

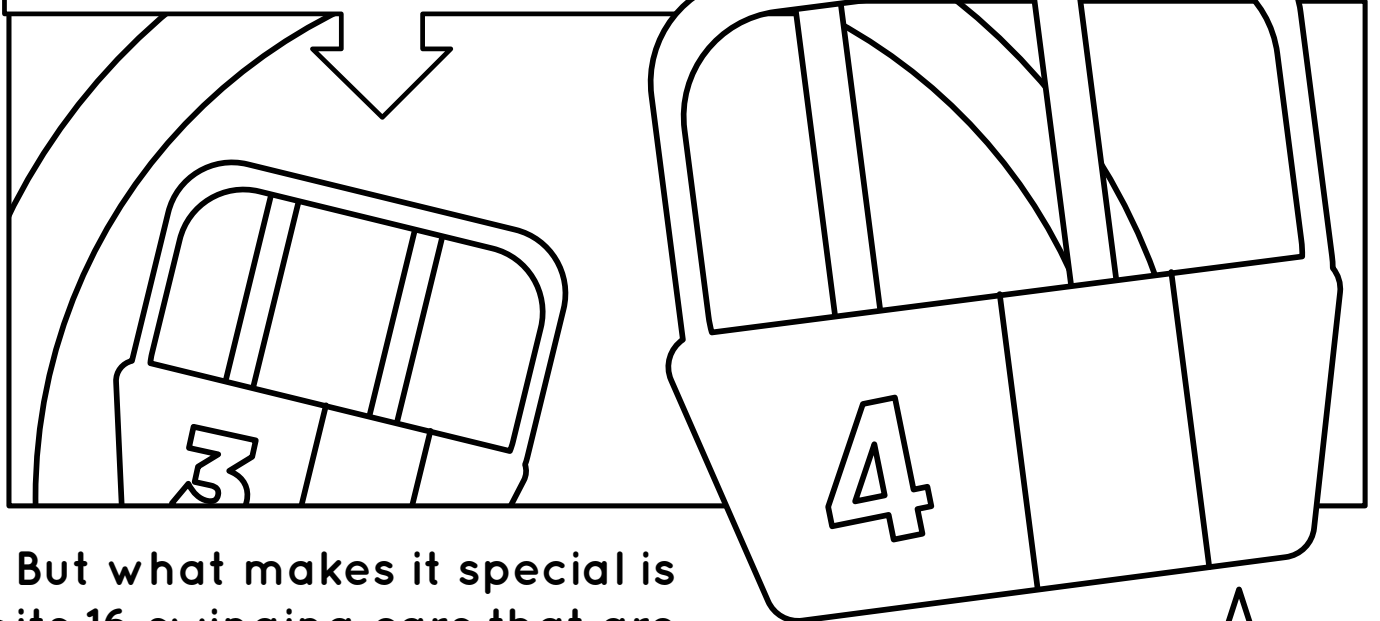

Did you know that anyone can ride the Wonder Wheel? My baby cousin Amelia can come with us and even our dog Ringo!

Deno's Wonder Wheel has 8 white stationary cars like a regular Ferris wheel.

But what makes it special is its 16 swinging cars that are red and blue.

The Wonder Wheel is 150 feet tall!
From way up here we can see the
beach, the Boardwalk and even my
brother Stefanos and cousin Stacy on
line for the carousel.

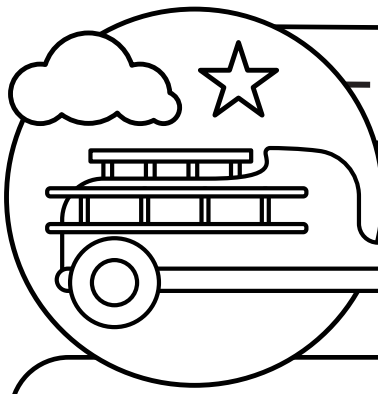

That was so
much fun! It's
time for
birthday cake!
Will you sing
with us?
