Now in its 33rd year and having raised more than \$4 million dollars for childhood hunger, the region's premier food and beverage tasting event has returned offering a supremely delicious experience to our community, for our community, with a positively local flavor.

We're back with our distinguished local chefs, committed local volunteers, and important local beneficiaries.

We have some great initiatives in place to help our return stand out, and we need your help in supporting our youngest neighbors facing hunger.

Will you join us to make it happen again?

## ABOUT US

Featuring the area's most accomplished chefs, brewers, wine purveyors and spirit vendors, **Taste! Central Florida** invites the community to enjoy an evening of tasting portions of signature dishes accompanied by fine wines, craft beers, and specialty cocktails.

This annual celebration of the community's culinary excellence is a volunteer-driven event with local chefs, brewers and distilleries donating their time, talent and creations to make this event one of the largest fundraisers of the year for **Second Harvest Food Bank of Central Florida** and **Coalition for the Homeless of Central Florida**.

An all-volunteer steering committee, more than 300 day-of event volunteers, and tremendous in-kind support from a variety of local business partners allow us to direct every dollar raised to our beneficiaries while generating profound awareness and relief for the children of Central Florida who face hunger on a daily basis.

## BENEFICIARY INFO

The funds raised by Taste! Central Florida help **Coalition for the Homeless of Central Florida** provide more than 244,000 nutritious meals each year to those in need.

**Second Harvest Food Bank of Central Florida** raised from Taste! Central Florida to childhood hunger relief programs at their agency to assist the 1 in 5 kids who are facing hunger.

“We’re so excited that Taste! Central Florida is coming back in 2023! There’s nothing quite like the energy of a room full of people who are coming together to fight one of the most critical issues in our community - childhood hunger. Over the years, funds raised at this event have made an incredible difference for the youngest shelter guests at the Coalition. On any given day, there are about 100 children staying in our Center for Women and Families. Your generous support of Taste! Central Florida ensures that these kids wake up to a nutritious breakfast and end the day eating dinner with their families, never worrying when their next meal will be.”

Allison Krall, President/CEO  
Coalition for the Homeless of Central Florida

“Funds from Taste! Central Florida make it possible for Second Harvest to continue to provide 300,000 meals to those who face uncertainty every single day. Thanks to the kindness, generosity, and support of our community, we can continue to close the gap on childhood hunger in Central Florida which unfortunately remains too wide at this time. Thank you for caring, and for helping to make this possible.”
