

The U.S. Senate is poised to take action to replace the Affordable Care Act before the end of June

The Senate bill is being written in secret - but word is that is it as bad for us as the House's (Un)American Health Care Act.

HERE'S ONE EASY ACTION YOU CAN TAKE TODAY:

Take a selfie and/or a photo of someone you love and send it to us. Ask your friends to do the same. We just need a photo - nothing else.

Here are some options to send us your photos:

- *Email it to us at info@universalhealthct.org*
- *DM it to us on Twitter*
- *DM it to us on Instagram*
- *Send us a private message (inbox) on Facebook*

★ WE ARE PLANNING A "LIVES ON THE LINE" ACTION NEXT WEEK. ★

We are gathering photos to illustrate that millions of people will be hurt if the Senate votes to decimate our health care.

Stay tuned to see how the "Lives on the Line" action rolls out next week. We'll keep you posted.

Thanks for taking action TODAY.
