Hear from national and state experts and attend participatory workshops on health policy and advocacy skills. Policy workshops will cover challenges in our current health care system and bold ideas for change at the federal and state level. Skill-building workshops will address organizing, messaging, policy advocacy, story-telling and holding politicians accountable.

**Saturday, October 14th**

8:45 am – 9:30 am: networking, light breakfast.

9:30 am – 3:30 pm: plenary session, lunch, workshops
