## FROM THE EDITOR

BY REMY GUENIN, '86

Dear Kingsway Alumni,

Spring has sprung on the campus of Kingsway College. Winter has finally been beaten back and is hibernating for a few months. The campus is alive with new buds and fresh tulips popping up everywhere. The official weed/flower of Ontario "the dandelion" has also reared its head which means summer is just around the corner.

With this issue of the KC Contact, we are proud to provide you with the latest Kingsway news and events. There is always so much happening at Kingsway that it is difficult to report on it all. In an effort to bring you a sustained news stream we will be introducing the E-newsletter in addition to an electronic version of the KC Contact. The E-newsletter will come in the form of an e-mail and will share the more day to day news and information from Kingsway College. We hope this will keep you connected to your Alma mater on a more frequent

basis. We have also designed the Kingsway Contact to have specific items in each edition that will help you get sense of continuity as you look forward to each issue.

The last issue of the Contact had some items that were left out and a few errors that we would like to address so please look on page four for some corrections. Thank you to our committed readers who took the time to share their comments with us. We aim to improve the communication between Kingsway and our alumni base and look forward to hearing any comments you may have about each issue. The plan is to have 3 issues per year. One for the fall, winter and spring. Now that Christina, the co-editor of the Contact, has settled in to her new position, we will be able to provide the KC news you crave ☺ on a predictable schedule. Thank you for your patience and continued support. [n](#)

# Capital Project 2014 & Changes for the 2014-2015 School Year

BY SCOTT BOWES, President

AS THE 2013-14 school year begins to wind down, we are starting to look forward to another exciting school year beginning in September. I'd like to take this opportunity to tell you about some of the exciting things we are working on for next school year.

**Capital Project 2014** – We are raising funds to renovate the chapel's audio/ visual system. This renovation will include new sound equipment, a proper storage case for the sound equipment, new microphones, and lighting. The most exciting part of this project will be adding video & recording capabilities. This will allow our parents of current dorm students as well as prospective students the ability to go to our website to see the excellent spiritual programming that occurs at Kingsway College.

**1-1 Tablet Program** – Beginning in September of 2014, Kingsway will be providing our students with a 21st century classroom. All students will be provided with a Dell Venue 11 Pro Tablet when they enrol at Kingsway College. This program will provide equal access to technology for all of our students, will increase student engagement, and will prepare students better for future careers. We are the first Adventist Academy in Canada that is launching a tablet program and we are very excited to be able to provide this for our students.

If you are interested in finding out more about the exciting things happening at Kingsway College, I would encourage you to visit our website, [www.kingswaycollege.on.ca](http://www.kingswaycollege.on.ca). Under the "About Us" tab, there is a link to our Annual Report for 2013 which discusses the things we have accomplished at Kingsway in 2013 as well as our future plans.

Thank you so much for your prayers for Kingsway College. And please continue to support Kingsway College. Your gifts enable us to provide worthy student scholarships which makes Adventist education at Kingsway College possible for many students who would be unable to afford it. Your gifts also enable us to make improvements to the campus as well as the programming that is offered at Kingsway. We would not be able to provide these awesome opportunities for our students without the generous support of our alumni!!!

## Joy Comes From the Lord

BY MINZI ROBERT, '13

I VISITED THE OTHER HALF of my home country, Tanzania because I felt that I did not know much about Tanzania, and I needed to see more of it. Gaining bigger perspectives is a very important thing to me. And also I wanted to hang out more and get closer with my dad.

The children in the picture which I am surrounded with I saw smiles, happiness, joy and I saw that they knew what love was. I saw faith and hope. When compared to the western world they do not have much as far as material possessions but their true joy comes from deep within. I saw that God is all around them even in poverty and rough times. I learned that money is not the solution for happiness, but their faith for God is. [n](#)

## Kingsway College Chapel Ministry Enhanced

**RENOVATION** of the audio and visual sound system as well as the lighting system of the beloved Kingsway Chapel in Buena Vista hall will allow live streaming and/or recording capabilities. This renovation will benefit both prospective students and the parents of our current students by allowing them to log onto our website and participate in the spiritual programming that is being offered. The enhanced sound and visual appeal of each program will capture the attention of the audience both live and in virtual format. If you would like to contribute to this important improvement please contact the Development office at 905-433-1144 ext. 212, or at [alumni@kingswaycollege.on.ca](mailto:alumni@kingswaycollege.on.ca)

# Spring Break Tours

**AERIALS:** Tour began in Montreal, Quebec, where the team took part in the church service at Westmount SDA Church. Our first performance was at the Trafalgar School for Girls in Montreal. Sunday morning, we piled into the bus and headed for Union Springs Academy in Union Springs, NY. Sunday evening we performed for the students at Union Springs and also held a clinic, teaching them basic tumbling moves. Bright and early Monday, we made for New York City and spent the next day and a half sightseeing. We were given a tour bus pass that allowed us to see all the major highlights of the city. Some students went to Central Park, and others to the Freedom Tower. On Wednesday we stopped at the Woodbury Common Premium Outlets and spent 4 hours shopping. We continued the drive back to Canada, which should have taken approximately 6 hours, but ended up taking almost 12 hours due to a major snowstorm that pushed through upstate New York and Quebec. We were unable to make our performance at Greaves Academy in Montreal as our bus driver ran out of driving hours. Thursday afternoon, we walked around downtown Montreal and did some more shopping! Friday we drove to Ottawa and took part in a clinic at the Ottawa Gymnastics Centre., where we learned new techniques to perfect our tumbling. On Sabbath, we participated in the church service at Ottawa East and held our last performance at the Samuel Genest High School and then headed home after a great tour!

**BAND:** Our band tour began on a cold day, no one really knew what to expect... and so began our long journey. Our trip ranged from Barrie to Sault St. Marie, from Wisconsin to Illinois and finally from Michigan to Toronto. It was hard work, for nine days we loaded and unloaded not only baggage but a seemingly unending supply of instruments, sometimes multiple times during the day. Along with hard work there was always the joy of waking up to the smell of breakfast prepared by our dedicated sponsors that gave us energy to get through our long days.

We performed concerts at schools and at Churches and slept on whatever solid ground we could find (although we did have 2 exceptionally comfortable nights at a hotel and at Andrew's University!). At Canadian institutions we would

set up a table with info about Kingsway as well as having a promotional video; people were curious about us!

Wherever we went people were extremely grateful to have us and provided us with food and shelter. It was amazing to count on our Church family wherever we went.

Many see Spring Tours as a "free vacation" where you can do whatever you want, others think that tours are tediously long trips with lots of work. The truth? Spring tours, at least at Kingsway, are an occasion to show others what an amazingly awesome job God has done in our school, and to help us grow as a team: you can't have a one person band! Until next year!

**CHOIR:** It was an eager group of students awaiting the bus boarding call on that cold March afternoon. The excitement abounded with the expectations of sunny Florida, just a short 24 hours away. After the long drive ended, the choir members disembarked to sunny skies and warm hospitality. Though performing at various churches was a high point, most members found the day at Busch Gardens to be the pinnacle point of the trip. With the all-you-can-eat option purchased by most choir members, the day was filled with roller coasters, good times, and feasts galore. The subsequent day at the beach resonated well with these winter-worn warriors; the sun and surf were gratefully soaked up to the extreme. It came to an end too soon and they headed back to Canada. Stopping at Southern University in Collegedale, Tennessee on the way home, the KC choir was reunited with many former students and prior choir members. Wonderful cuisine, tours and good times transpired. With a grossly early departure, the choir made the long journey back to the frozen tundra that was Canada. While driving back, patches of snow eventually appeared by the roadside, reminding the songsters that winter was still fiercely clinging on in desperation. A quick jaunt over the Detroit-Windsor bridge brought the final leg of the journey into play. A few stops and performances later, the bus arrived at the Leland parking lot, its final destination on the tour. Exhausted, yet exuberant choir members tumbled off the coach, laden with abundant treasures and priceless memories. n

# Fun(d) Dinner 2013

BY CHRISTINA LISTER

1. M. Tugay, J. Morado, C. Juodele, V. Tugay, M. Flores 2. D. Bazil, J. Curtis 3. MCs Lisa & Reuel McGann 4. T. Bastien, V. Tugay, Q. Diamante 5. KC Philharmonic Ensemble 6. KC Symphonic Choir 7. KC Aerials

**GUESTS BEGAN ARRIVING** at 5:00PM, anxious to see what the night had in store. As they walked into the lobby of the A. E. King Fitness Complex, they were greeted with lovely music provided by Kingsway students (Jared Morado, Vivianne Tugay, Candice Juodele, Michael Tugay, and Malissa Flores) and tasty hors d'oeuvres. Once checked in, guests were ushered to their seats by helpful students, and given the opportunity to peruse the Silent Auction items donated by local businesses and friends of Kingsway.

The program began with a welcome by Oshawa Mayor, John Henry, as well as Enrolment Director, Remy Guenin. The MCs for the evening, Lisa and Reuel McGann, introduced the Kingsway College Philharmonic Ensemble who played two numbers for the guests. Dinner service began with a delicious garden salad, served by the Kingsway College Aerials. After the Philharmonic Ensemble, three of Kingsway's students, Tanisha Bastien, Quisa Diamante, and Vivianne Tugay sang a lovely rendition of "Hallelujah".

Kim Tosi, grade 9 student and Worthy Student Fund recipient, was interviewed by Lisa, and spoke about the blessing of being able to attend Kingsway thanks to the Worthy Student Fund. Kim is heavily involved in Kingsway life, with the praise team, serving as Pastor for the Philharmonic Ensemble, as well as speaking for major events like Preview Weekend.

The Kingsway College Symphonic Choir sang four songs while

the main entrée of penne with a primavera sauce, steamed vegetables, and bread with butter was served. Another highlight of the evening was when students Darnel Bazil and Julia Curtis sang "I Believe In You". Such talent we have here at Kingsway!

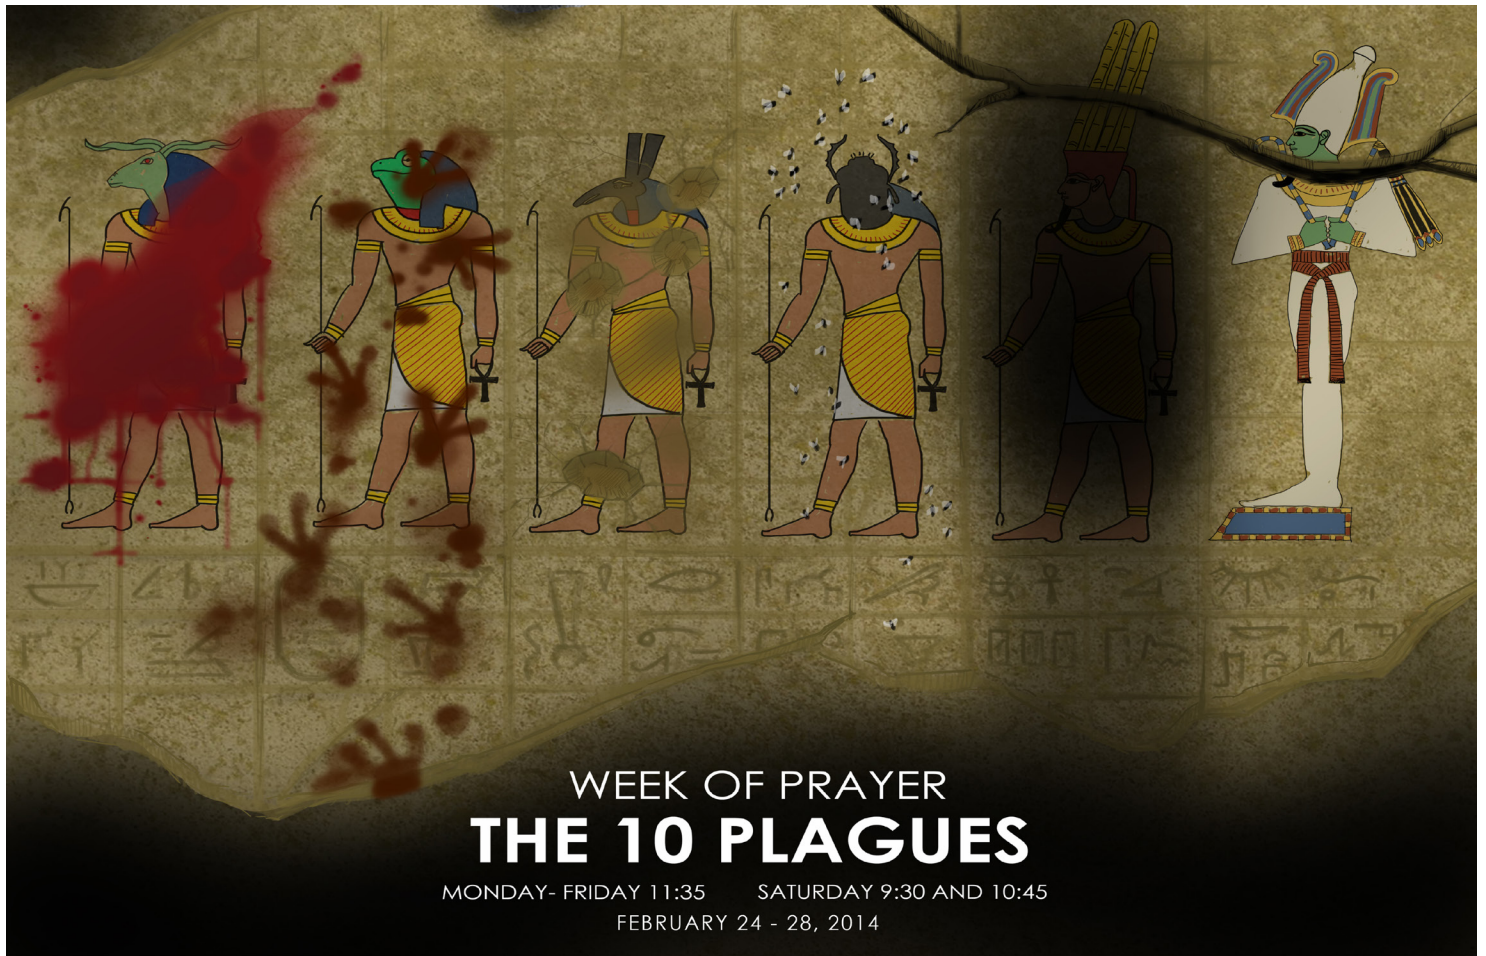

Throughout the evening, guests were reminded by Tim and Sharon Aka to check out the Silent Auction table for the items available such as the beautiful dresser donated by College Woodwork and the custom framed print of Jesus in the Storm donated by the Adventist Book Center. Once the auction was closed, the winners were announced, and a preliminary tally of the total funds raised was made.

The Kingsway College Aerials began their performance with the traditional "Chairs" routine, followed by "Tribute to God", which highlights some of the most powerful stories in the Bible.

The evening was closed off with a number of thanks to the MCs, Silent Auction hosts, Doug Bruce for lighting, all of the sponsors who donated items as well as sponsored a table, and the guests who attended and generously donated towards the Worthy Student Fund.

In total, \$50,000 was raised. Every dollar that came has impacted so many of our students here at Kingsway College. Thank you to those who donated for the blessing you have been to this ministry! n

## “The 10 Plagues” - Student Week of Prayer

BY ZLATAN LJULDJUROVIC, '14

**WATER INTO BLOOD.** Frogs. Gnats. Flies. Plague on livestock. Boils. Hail. Locusts. Darkness. Death of the firstborn.

The theme for this year's Student Week of Prayer was “The 10 Plagues”. Each program (morning and evening) was led by one of our Grade 12 students: Nicole, Emmanuel, Renee, Darnel, Nathan, Elle, Jacob, Zahara, Travis, Felimon, and Zlatan.

The theme was designed to show the students that the worship of Egyptian gods was linked to some aspect of life in the ancient near east (eg. life, provision, security, etc.) and that we too often rely on various ‘gods’ that help us with these aspects. In the end, it was God that went head to head with these false gods to show us that it is through God that we can have all these things provided for.

Worship was started with a number of songs by the class Praise Teams, and followed by the Student Association Praise Team who led the school in singing the chosen theme song, “You Are God Alone” by Phillips, Craig, and Dean. The words of this song are powerful and resonated with the topic for each day. “You’re the only God, whose power none can contend. You’re the only God, whose name and praise will never end. You’re the only God who’s worthy of everything we can give. You are God, and that’s just the way it is.”

Every time God hardened Pharaoh's heart, it gave the opportunity for His power to be shown. When Pharaoh exalted himself and his other gods above the One True God, each plague brought on the people of Egypt showed them that there should be no other god before Him. Each student's message reiterated the fact that it doesn't matter who or what attempts to challenge God, HE will win the battle every time. [n](#)

Thank you to all who were a part of this weekend.  
We look forward to seeing you on campus soon!

## RED - What is it to you?

BY ASHLEY ARRIOLA, '09

**I CAN STILL REMEMBER** my first "College Days" experience. It was in April of 2007 when I was in grade 10, when I deliberated with my decision to come to Kingsway College or not. To me, Kingsway College held three main qualities: it was a small school, too expensive, and had such a busy schedule! My connection to Kingsway College began when I was invited by a parent, whose children were all attending KC. Even though I hesitated to call to register for the "Preview Weekend", that weekend was an event I will always remember.

Preview Weekend 2014 was held from April 11-13. This year's theme was, "Red - What is it to You?"

Registration began at 3:00 p.m. on Friday, where students and their parents made their way to the A. E. King Fitness Complex to check-in, receive their welcome packages, and "Redeemed Every Day" t-shirts.

This year, the campus tour was self-guided and more interactive. Each registered prospective student was given a campus tour passport and our current students served as tour guides at various locations. The objective was to visit as many hotspots as possible, and be one of the first three to accumulate 12 or more stamps to qualify for a special gift from the Enrolment Office. Once campus tours were over, supper was served, where our faculty and staff were introduced. After dinner, our guests attended Teacher Information Sessions where they were able to inquire about classes, work load, and class structure. The KC Symphonic Choir directed by Sharon Foreman, presented the vespers concert at College Park Church. After Vespers, our guests and students went to the cafeteria to hang out and just socialize at "Chill Time".

Saturdays during Preview Weekend are the most action-packed days. The day began with breakfast at 7:45 a.m. Sabbath School was led by Campus Ministries in the KC chapel. The Praise Team led out the song service with great energy. The main service was held at College Park, where the KC Philharmonic Ensemble directed by Thamar Juan Tyson, presented lovely renditions and current students Kim Tosi (grade 9) and Darnel Bazil (grade 12) each presented

a sermonette, speaking to the theme, "Redeemed Every Day." Kim shared a testimony when she was a child and the deliverance of God from having their home almost catch on fire. Whereas Darnel presented an engaging breakdown of the weekend's bible text, Ephesians 1:7, "In him we have redemption through his blood, the forgiveness of sins, in accordance with the riches of God's grace." Lunch was served at the cafeteria, where our guests and current students and faculty fellowshiped. It was such a beautiful day that many guests took a walk around campus. The Drama Club performed, "A Sheep in Wolf's Clothing" directed by Margaret Russnell and Sophia Parkes at the KC chapel, along with three other short skits. Sundown worship in the chapel began shortly after dinner, where guests and students heard from Head Men's Dean, Mr. Ryan. His inspirational talk spoke about how everyone has a purpose, and that each one goes through life having to choose between the wide or the narrow path (Matthew 7:13, 14). The sound of enthusiastic cheers of the guests and students filled the A. E. King Fitness Complex as the Aerials, coached by Jason Wilkins and Adam Mohns presented their annual Homeshow. After the performance, the Student Association shared a sweet treat with our guests and students.

Sunday's schedule was much shorter, as it was reserved for financial consultations and the beginning of the application process. These both took place in the cafeteria while brunch was being served. Guests were presented with an information session by our administrators, Scott Bowes, Jeremy O'Dell and Remy Guenin, where the new gadget was introduced - Dell Venue Pro 11 tablet. Each student and faculty member will be equipped with a tablet for the 2014-2015 school year.

Overall, Preview Weekend was a great success! We had a total of 124 guests, with 62 of them being students. It is our hope that their experience at Kingsway College was a memorable one, and that the Lord will continue to lead the students with their high school decision. [n](#)

# Cardinal Classic Champions

**IT ALMOST DIDN'T HAPPEN.** The team was anxious as the snow kept falling. Whiteout conditions had made driving unsafe and a trip to Michigan impossible. The administration went back and forth, not wanting to cancel the most anticipated trip of the season, but unwilling to put the team in harm's way. Finally, the drivers were called to the office and we discussed how we would proceed. Four in the morning was the agreed upon departure time and we went home to get rest for the trip.

We pulled out at four and started the eight-hour drive to Berrien Springs, Michigan and the Cardinal Classic Basketball tournament. It was an uneventful trip and by early afternoon we had arrived. Before we could even settle in we had to run to lunch and then run to our campus tour. When that was done we could finally move into the dorms where we'd be staying.

Then the Basketball started. The guys and girls teams both played at similar times so since I was coaching the boy's I didn't get to see much of the other games. However in their first game the guy's won a close game, lifted by Darnel Bazil's 7 straight last minute points. The second and third games were blowouts led by hot shooting from Jared Juodele and a very strong team defense.

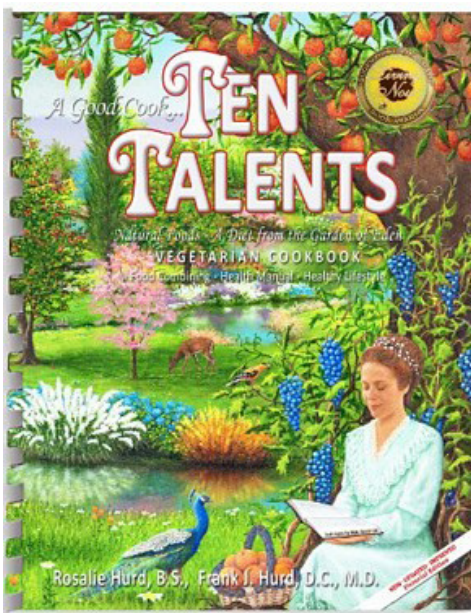

Our fourth game was a nail-biter won by a last minute Emmanuel Danso-Amofa jumper. We had gone undefeated

and were heading to the championship game for the second time in two years. But this year was different. This year Kingsway dominated Union Springs Academy from start to finish and won by double digits to bring Kingsway, and Canada, it's first Cardinal Classic: Division Two Championship. Both the girls' and guys' teams carried themselves well, were active in the spiritual programming and represented Christ on and off the court in a way that made this coach very proud. [n](#)

Kevin Magdamo, '08, Varsity Boys Basketball Coach

## TEN TALENTS for Abundant Life

When we read the "Parable of the Talents", found in Mathew 25:14-30, we relate it to our spiritual gifts, and what we do or do not do with the gifts that God has given us. Scripture says each were given talents according to their ability, and in so doing saw gain, or saw those talents taken away for not being used to it's potential. If we relate the TEN TALENTS to the health message, and break it down into an acronym that maps out the route to health and happiness, what then if we do not use that which God has given us. We will not reach the potential God wants for us. Follow the recipe that everyone can make, not just the chefs and cooking experts out there.

TEN TALENTS= Trust in Divine Power, Exercise, Nutrition, Temperance, Air, Light, Energizing Water, Nightly Rest, Thankfulness, Service.

Now if we are given these talents and don't use them, what then? How do we ever spread the gospel, sharing with people what God has done in our lives, if we don't use that which we have been given? The health message is unique, scriptural and we all would benefit from following it more closely.

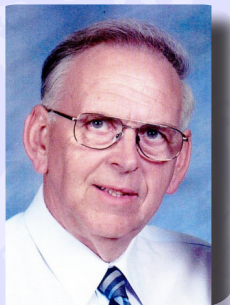

The first TEN TALENTS cookbook was published more than 44 years ago, and was a pioneering work in providing simple & practical recipes for healthful living. Get your copy at the Eastern Canada ABC and start using your talents wisely. [n](#)

Pam Lister, '81, Eastern Canada ABC Manager

## Duncan Mustard

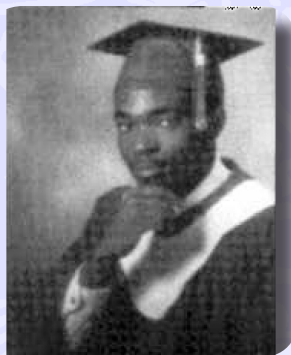

1939 - 2013

Duncan Mustard was born Feb 23, 1939 in Folkstone, Kent, England. He graduated from Atlantic Union College in So. Lancaster, MA in 1960 and did graduate work at Clark University and Worcester State College in Worcester, MA. His working career started at Kingsway College as Dean of Men & teaching Social Studies & Geography from 1962-1964. The class of 1966 has great memories of him as a teacher and class sponsor during grades 9 and 10. He joined the class of 1966 for their 40th Reunion. He stated that it touched his heart to hear his students (now adults) talk about their walk with God. For us, we were truly blessed to have him as a teacher and class sponsor for 2 years as he touched our lives. The next 20 years were spent at AUC as Geography Instructor and Assistant Dean of Men. He spent 22 years at Walla Walla University. He passed away Dec 2, 2013 in Walla Walla, WA. He leaves his wife of 53 years, Jean (Hodder) Mustard of Walla Walla, WA, two grown children-Karen Larsen of Shirley, MA and Kelvin (Liz) Mustard of Sterling, MA and three grandchildren-Amber, Cody, and Kaylee.

## Reynald Sacha Adam

1977 - 2014

Reynald Sacha Adam passed away in Montreal on January 13, 2014, at the age of 36.

He leaves to mourn his family, relatives and friends.

## Ronald Boutcher

1964 - 2014

Ronald Boutcher left us on April 8, 2014, peacefully at Hotel Dieu-Grace Hospital. Ron was born August 28, 1964, in Oshawa, Ontario to Howard and Jean (Monroe) Boutcher. As a young man, Ron attended Kingsway College in Oshawa where he met his wife, Brenda (King) Boutcher. Ron and his wife lived in Oshawa, Ontario and Essex, Ontario before finally settling in Windsor and starting their family. He was a gentle and loving father to his daughter Holly and son Nathan, they were always his number one priority. His interests included his creativity with guitar and music, animals which included his pets throughout the years, especially his dog Brutus who was his friend and constant companion. He devoted his time and energy to family and friends. His heart was larger than life just like his sense of humour, always young at heart. Mr. Boutcher is survived by his parents, Howard and Jean; sister, Wanda; brothers, Allan and Gordon; wife, Brenda; son, Nathan; daughter, Holly; many sisters-in-law; many brothers-in-law; nieces and nephews. He will be missed dearly by all who knew him.

Check out the Kingsway College spotlight in the Canadian Messenger every month!
