"My favorite part of spring is when my 100 white tulips that line my front walk bloom. It is a beautiful sight!"

Bedroom 4

Award-winning interior designer, Susan M. Jamieson, ASID, is founder and principal of the Virginia-based design firm Bridget Beari Designs Inc. Since launching in 1992, Jamieson has earned widespread acclaim from the design industry and media as well as a devoted clientele worldwide. Her diverse design portfolio features projects ranging from Atlanta, Washington, D.C., and Palm Springs to New York and Mexico. Drawing from her studies and travels abroad, along with degrees in art history and interior design, Jamieson is known for her ability to create spaces that capture the essence of each client's unique personality and lifestyle in harmony with the home's architectural style. Working together to choose a beautifully balanced blend of art, antiques, fabrics and furnishings, she curates periods and styles to create richly layered interiors that feel as if they have always been there.
