Nature Pop-Up Play Program

Transform your outdoor space into a nature wonderland!
Eight station play center including: fort building, play campsite, wildlife rescue wagon, habitat art trays, water play, giant block building and more!

Join the Green Team!
After school clubs that work to create and maintain special play zones on the school grounds for use during recess and class time. Green Teams create scavenger hunts, tree identification books, land art stations and more!

Benefits of Nature Play
- Improves academic performance.
- Supports creativity and problem solving.
- Increases physical activity.
- Reduces stress.
