THE FISHERMANS SUITE

The Fisherman's Suite is located on the ground floor of our beer hall. It is suitable for sit down functions of 20 – 50 people and cocktail style functions of up to 60 people. Larger functions are also possible and would include a small roped off space of the main beer hall located directly in front of the room. The room design incorporates the famous Jetty Road fisherman mural in all his glory by local artist The Snake Hole.

The space has direct access to the outdoor beer garden, its own Unisex toilets and access to the function room bar located just outside the room. This bar can be tailored to all your beer needs with 4 beer taps, local spirits and showcasing Mornington Peninsula wines.
