Dear [Name]

I write to urge urgent action to protect what I love from the climate crisis. As an MP, I'm part of The Climate Coalition's Declaration because I care about...

Before the UK hosts the world at the UN Climate Summit in November, we need to show global leaders that each of us can do our bit to stop our world from falling off track to a safer, greener future that works for everyone. Will you #ShowTheLove by championing climate action this year?

Please show your support by:

- Signing The Climate Coalition’s Declaration for a Green, Fair and Sustainable World
- email campaigns (theclimatecoalition.org to sign)
- Sharing a photo of this green heart on Twitter
- Pledging your support to protect all that we could lose to the climate crisis. Don’t forget to tag @climatecoalition and use #ShowTheLove

Thank you.
