

Death Will Reign No More

| **D** /// | /// |

D **Gsus2**
We have seen the wreckage of the fall
Bm7 **Gsus2**
And what occurs when we ignore our call
G **Asus4**
How a kingdom crumbles when it's built upon our flaws
G **Asus4** / | **D** <>
Yeah, we know well the wreckage of the fall

D **Gsus2**
We have seen the error in our ways
Bm7 **Gsus2**
And realized just how much we need Your grace
G **Asus4**
We could find no hope alone, nothing that could save
G **Asus4** **D** /// |
Yeah, we realized how much we need Your grace

But we won't fear for Your great love is able to restore

For You know well the struggle of our hearts
