D

Lord, make me sturdy like the trees With their roots buried down so deep

G

D /// | /// | /// | /// |

So when the storm comes raging I can stand up sturdy like the trees

D

Keep me firm like the anchor's hold Secure beneath the waves strong and cold

G

D /// | /// | /// | /// |

So as the tides rise and fall I'll stay firm like the anchor's hold

D

Lord, carve me like the mountain range Steadfast and sure from age to age

G

D /// | /// | /// | /// |

Let Your river flow within me and carve me out like the mountain range
