

## Hagyard Midsouth Team Challenge- Area IV YR Teams *Revised 7/31/18*

Hagyard Midsouth Team Challenge is a destination event located at the Kentucky Horse Park in late October. It is a unique competition environment that attracts competitors from the Midwest as well as the East Coast. Riders compete as a team as well as individuals. Each rider from a team is placed in a different division and will ride dressage under a different judge, in a different arena simultaneously with his/her team members. Team members will run cross country and show jump consecutively as well. Hagyard Midsouth Team Challenge encourages stall decorations, matching fun team apparel and generates camaraderie.
