JEAN MICHEL BASQUIAT

The *Basquiat Collection* celebrates the enigmatic artist who quickly became a mainstay at the height of 1980s contemporary art in New York City. A selection of signature styles are wrapped in his most iconic painting, *"Untitled (Scull/Skull)"* from 1981, while others feature *"Now's The Time"* — a 1985 painting inspired by Charlie Parker's vinyl jazz record. Each Basquiat print is offered on a range of Herschel Supply silhouettes, from washed canvas essentials to everyday carryalls and more.

The *Basquiat Collection* celebrates the enigmatic artist who quickly became a mainstay at the height of 1980s contemporary art in New York City. A selection of signature styles are wrapped in his most iconic painting, *"Untitled (Scull/Skull)"* from 1981, while others feature *"Now's The Time"* — a 1985 painting inspired by Charlie Parker's vinyl jazz record. Each Basquiat print is offered on a range of Herschel Supply accessory styles.
