

National Federation for Catholic Youth Ministry

## Authorized Purchasers of Religious Recognition Medals and Patches

(All information listed here is subject to change.)

Note: Nonauthorized administrators of the religious recognition programs, e.g., parents and troop leaders, may purchase religious recognition workbooks directly from the National Federation for Catholic Youth Ministry. However, the purchasers must contact their diocesan Catholic committee for Girl Scouts and Camp Fire before beginning any of the programs. Each diocese has their own requirements for workbook completion and awarding of the religious recognition medals and patches. Many diocesan committees have a web presence on their diocesan website. Review those sites for detailed local information.
