

Sprayberry BAND OF GOLD

Business Sponsorship

Purpose of the Sponsorship Program: to obtain funding from sources within the local community to enable the band, color guard, and drum line to participate in events and to further their skills while building values such as teamwork and camaraderie. The Cobb County School District provides only a fraction of the necessary resources for these organizations to participate in the number of events and at these advanced levels.

Sponsorship Levels and Benefits: Four levels of sponsorship allow for various amounts of visibility according to each sponsor's commitment. The visibility ensures that the sponsor's name is presented to the community so that they can show their appreciation by supporting the sponsor's business.

Details of the Sponsorship Program: Sponsorship commitments are made on an annual basis (June 1st – May 31st), and cannot be prorated for a partial year commitment. Contributions are administered by the Sprayberry Band Booster Association (SBBA), a non-profit, tax exempt 501c3 organization that exists solely to support the needs of the marching band, drum line and color guard. Tax exempt number submitted to you when sponsorship form and payment are received. Please contact our Vice President at vicepresident@sprayberryband.com for further questions.
