Surf City Haiti

Surf City Haiti is a week long summer camp for children at the three orphanages PKF sponsors. In 2016, 230 children attended Surf City Haiti. Since its conception 6 years ago, **PKF has invested \$150,000 in Surf City Haiti.**

Orphan Care

EBAC, IDADEE, and NVCH are the three orphanages that PKF sponsors. Across the orphanages: 156 children are fully cared for, 170,820 meals are served yearly, and \$232,000 is invested annually.

Joshua House

The Joshua House serves as a clean, secure, "home base" for organizations working in Haiti. By the end of 2016, over 800 people representing 36 organizations will have stayed there.

Summer Fest

Summer Fest is Idadee's Community Day Camp. In August, 1,000 children and 200 adults from the local community attended. **16,800 free meals were served.**

2015 - 2016

Micro Loans, Big Impacts

The first micro business-loans were awarded in June of 2016, empowering former orphans to start businesses and build a better life.

New Farmland

In July, PKF purchased 30 acres of farm land to provide food for the kids at the orphanages, feed the poor in the community, and provide jobs.

Primary School Opens

Students had a great first year at the newly opened primary school. The school serves children from Idadee and the surrounding community. At full capacity, it will provide 220 students with a high quality education.

\$3,147,000

Investing in New Futures

With an additional \$947K invested in 2015-2016, **PKF has invested over \$3 million in Idadee projects** such as: Water and Sanitation, the Children's Home, the Community School, and the Medical Clinic.

2017

Medical Clinic Set to Open

Construction on the new medical clinic is almost complete. The clinic will see its first patients in January, 2017.

Secondary School

Construction on the new secondary and vocational school is set to begin in March of 2017. The \$405K needed to build the two schools has been raised, and the project is already fully funded.

Two New Wells

With the addition of two new water systems, the PKF will be partnering with "Water Missions" to provide clean water for 30,000 people daily.
