FRANKLIN COUNTY FAIR ROYALTY

Monday, July 11, 2022

Little Miss | 6:00pm

Princess | 7:00pm

Queen | 8:00pm

Instilling confidence and leadership in young women, while promoting our county fair and agriculture through educating the community.

Hello, my name is Brantley Stouffer I am 9 years old and live in Amberson, Pa. I am very thankful and proud that I was the 2021 Franklin County Fair Little Miss. With holding this title I have learned more about agriculture and also how the fair operates. My favorite memories from this year was the parades and helping pass out ribbons at the dairy shows. I encourage every little girl to do the little miss contest. It is a experience I will never forget and always cherish!!

I had a lot of fun being your 2021 Franklin County Fair Princess. As part of the Court, I got to hand out ribbons for a cow show and say a speech before the tractor pulls started at the fair. I was able to go to Snider's Elevator to hand out ice cream. I enjoyed going to several parades this year, including the Halloween parade in Mercersburg and the Christmas parades all over Franklin County. We were also in a parade at Twin Bridges and went to a tractor pull at Two Top. We played games with kids at Two Top and at the Franklin Fall Farm Fun Fest where we taught them about animals and farms. At Christmas time, we handed out cookies at the historic fort in Fort Loudon and got to meet many wonderful

people. In April, we were invited to Andrews' Orchard to get our photos taken next to the trees that were in full bloom! Everything that I have done with this group of girls has made this year great, and I am sad it is almost over. I wish the best of luck to all of those running for Princess this year and I look forward to seeing everyone at the 2022 fair!

2022 Franklin County
Fair Princess Alternate

Hello everyone! My name is Victoria Hutchison and I am your 2021 Franklin County Fair Queen! This year has been a whirlwind of amazing experiences and opportunities. On the night of July 12th, 2021, my dream since I was 5 years old came true. Hearing my name come across the speaker naming me as the new Queen was a feeling like no other. From that night on, I was so excited to represent such an amazing county and it's hard working and dedicated farmers.

Some of my favorite memories from this year have been getting to know my court, attending various events educating about agriculture and advocating for our fair, and competing at the 2022 PA State Fair Queen pageant. Meeting so many other young women with the same common passion as myself was truly an amazing and unforgettable experience. I will forever cherish the memories and friendships I made while in Hershey. Another top favorite memory has to be all of the parades we have participated in! There's something about riding in a decorated truck while waving at hundreds of people that makes my heart explode with happiness and joy. I could go on for days listing all of the unforgettable memories I've made, but I'll leave you with my top few.

As the 2022 Franklin County Fair is approaching very quickly, it is bittersweet for me. Of course, I am beyond excited for this year's fair! However, I wish that the honor of being Fair Queen could last a lifetime. The memories I've made in this past year I will carry with me for the rest of my life, and I am so excited for the new Queen experience all of these things!

With that being said, I know I couldn't have made it through this crazy busy year without some important people. My mom, who was there for me through all of the craziness - from helping me pack everything I needed for my events, keeping my spirits high and emotions in check through the anxiousness at States, to being my go-to person to bounce ideas off of and get advice. My dad, who drove us in countless parades (and did a great job too!) and always made sure I had everything I needed to be the Queen he knew I could be. My sister, Carlea, who tagged along to many events, just so I wasn't by myself, and my brother, Gage, who listened to me talk about events and ideas (even if he had no idea what I was talking about.) My court, Megan, Amber, Ashley, Brantley and Taylor, for being my best friends and helping me advocate for our fair. My friends, who supported me since the day I told them I was competing in the pageant, and my coordinators, who always made sure we were registered and good to go for every event.

Thank you to everyone who has supported me through this journey, I couldn't have made it without you. I will always be grateful for the privilege of being your 2021 Franklin County Fair Queen, thank you for giving me such an outstanding County and industry to be a part of and represent.

Earlier this spring, the Franklin County Fair lost one of its most loyal and dedicated volunteers, Gertie Reichard. For many years Gertie was the Chair of the Group Exhibits Department and coordinated the set up of the Warner Building each year. The Fair Board wishes to extend its sincere sympathy to the Reichard and Showalter Families. Gertie will be missed by everyone and her contribution to the Fair and the County 4-H Program was very much appreciated by the agricultural community. When Gertie was recognized for 40 years as a 4-H Leader with the Lucky Leaf 4-H Club in November 2010, she offered the following quote that emphasized her personal philosophy as a Leader with the 4-H Program:

"I try to show that 4-H is a method of learning something for yourself. The most important part is that you complete the project that you started ... I hope they learned skills through the different projects. I hope they learned that they can't always be first – sportsmanship. That they learn to finish things ... I'm still learning. I learn with the 4-H'ers."

In November 2019, the Franklin County Cooperative Extension Service honored Gertie for 49 years of service as the Lucky Leaf 4-H Club Leader.

JUNIOR FAIR BOARD

MISSION The Franklin County Junior Fair Board was started to provide young adults with an opportunity to develop leadership skills, perform community service, and learn about operations of the Franklin County Fair.

DUTIES We have monthly meetings to discuss new ways to promote the fair and agriculture. We also use this time to brainstorm ways to improve the fair. Throughout the year, we attend various events together and have fun as a Junior Fair Board family! At the fair, Junior Fair Board members assist with various tasks like the baby barnyard, kid's corner, barnyard olympics, ag education day, and more!
