

Wish you could offer woodworking but don't know where to start?

Benefits

- Heal children after COVID
- Use real tools for a highly engaging and empowering experience
- Transmit your camp's values
- Develop real-life skills and SEL
- Include special needs campers
- Retain older campers for day camps
- Create "in camp" field trips
- Easy to administer and execute

The Easy Button
for Woodworking!**

Train and support your staff

Safe for all campers

Used by over 50 camps nationwide

“Woodworking is building their self-confidence and their belief in themselves, which comes out later on through all different aspects of their lives.”

—
Carla Rudow, Director, Camp Veritans
