### LIFE GROUP QUESTIONS

READ *II CHRONICLES 34:1-2* AND *II KINGS 22:1-2*

1. Josiah was remembered as the boy King who reigned for thirty-one years over Jerusalem. What do we learn from these verses that defined his legacy most?
2. Pastor Korey often says, "We are what we know." What does Josiah demonstrate that shows this doesn't have to be true for each of us?
3. As you read *II Kings 23*, what part did the rediscovery of God's law play in the reformation of the Israelite people?
4. Why didn't Josiah's repentance and reforms make a greater difference in the life of ancient Israel? Why does this matter to our lives? (*Read II King 23:29-30*)
