LIFE GROUP QUESTIONS

READ ACTS 16:6-15

1. In verses 6-10 there seems to be a lot of story. Why do you think Luke gave such a small account about the "closed doors" and the Spirit not allowing them to enter Bithynia?
2. Why do you think it is important that Luke stated, "having been forbidden by the Holy Spirit to speak a word in Asia?"
3. What do you see in Paul's response that is important for us to model in our pursuit of God's will for our lives?
4. Paul has a vision in Acts 16:10. What do think the vision meant by, "Come over to Macedonia and help us?"
