Fellowship Application for US Scholars

**Deadline: June 3, 2022**

**Date Submitted: ________________**

1. Full name (title, first, middle, last):

   ______________________________________

2. Current position, and academic institution or affiliation:

   ______________________________________

3. Work address, telephone, and email:

   ______________________________________

4. Home address, telephone, and email:

   ______________________________________

5. Date of birth (month / day / year)

   ______________________________________

6. Citizenship (Birth city and state):

   ______________________________________
7. College and university degrees (begin with most recent):

<table>
<thead>
<tr>
<th>Degree</th>
<th>Date</th>
<th>Institution</th>
<th>Field of Study</th>
</tr>
</thead>
</table>

8. Project title:

9. Estimated start date and duration of project (in months):

10. Location of the research:

11. Proposed project budget: Here or on a separate page, itemize your estimated costs according to the categories listed below)*:

   A. Supplies (list types and estimate cost in dollars):
   B. Travel (indicate where, for how long, and estimate cost):
   C. Residence or Accommodation (list the anticipated duration of your stay)
   D. Miscellaneous expenses (be specific and indicate relevance of cost to project)
   E. Total amount requested from TARII ______________________________
   F. Have you applied for additional funding for the project from other sources? Please itemize.
*Please note that the maximum amount that may be requested is $7,000. This award can be used for any research-related expenses or supplies, including the costs of books, photocopying or microfilm copies, film, miscellaneous stationary items, and travel costs. Your budget proposal should include all applicable information. If the necessity of certain costs are not clear in the proposal, you should discuss the purpose of those expenses briefly in a note. You may attach additional pages if necessary. A realistic project budget is one of the criteria used by TARII to evaluate applications and recommend them for funding. TARII will take all budget information into account in determining the level of funding awarded to successful applicants. Not all projects will be funded at the requested level. Please note that successful applicants are required to notify TARII of funds received from other sources for the same project; TARII may adjust awards when other funds have been received.

12. **Abstract: Summary of Proposed Research Project (not to exceed 250 words):**
You may write your summary here, or you may attach a separate page:
13. Project Proposal:
Please attach a research proposal describing your proposed research. This should be double-spaced and no more than ten (10) pages in length. Be sure to address the following in the text of your proposal:

- Brief summary of the project
- Purpose and goals of project
- Description of project (This should include a clear description of what will be studied and of the methods to be applied in doing the research. If the proposed project is part of a larger project, indicate how it will fit into that larger project.)
- Significance of project to Iraqi Studies (Please discuss previous research on the topic and indicate what the proposed study will contribute.)
- Work plan (Please discuss how your time will be allotted for the various stages required by the research project.)
- Publication plans (Please indicate how you plan to publish or communicate the results of the research for which you are requesting TARII support)

****

Submission instructions:

Your application must be complete before it can be considered by the TARII Fellowship Committee. You should email a complete application by the deadline to info@tarii.org.

The complete application package should include:

1. Completed application form (as above), including a budget
2. Curriculum Vitae or resume
3. A narrative project proposal of no more than 10 double-spaced pages
4. At least 2 letters of recommendation
5. Evidence of any official permissions required to carry out the project
6. For pre-doctoral applicants only: Graduate and undergraduate transcripts (one copy only).
