

# FIVE LISTENING TIPS

for English students

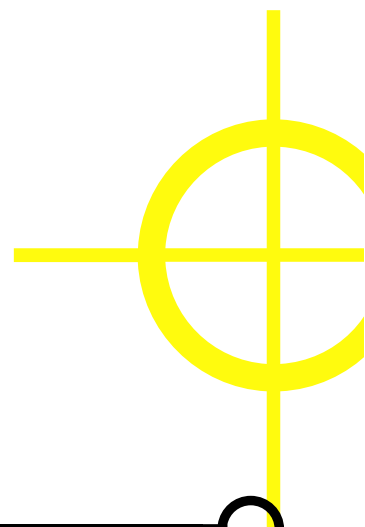

## LISTEN WITH A PURPOSE

Always have a purpose for listening or your skills won't develop!

Are you listening for....

- specific information?
- the general idea?
- specific words?
- grammar points?

## MAKE LISTENING A DAILY HABIT

- Daily listening practice
- Listen to something while doing boring activities such as cleaning the house, driving, or on the bus.

## LISTEN AND LISTEN AGAIN

If you can't hear a certain word or phrase. Listen to the audio until you can hear it. This is training your ear to work better!

## SONGS!

- Print lyrics.
- Choose a few phrases.
- Use a dictionary to find out the meaning.
- Listen and sing along.
