

# Career Exploration Part 2

# What We are Doing Today

Career Exploration: What do you want from life?

We will be playing **Careers** the board game  
Kahoot!

Kahoot winner and whoever completes their success formula in the board game will receive a wristband.

# How to Play

Object: Be the first to meet all three of your goals

Set up: Assign values to three goals that total 30 pts

Get careers to help make you rich, famous, and happy

Go to college to make careers easier to enter

Watch out for unemployment, the hospital, and other expenses

Roll dice or use Experience or Opportunity cards to move around the board
