7 DAYS of pro-life prayer

Use this guide to pray for God’s intervening hand upon our churches, communities, state, and nation.

SUNDAY  
Genesis 1:26-28; Psalm 139:13-16
Pray for those inside and outside the Church — that God would open eyes to the precious nature of every human life, individual and unique, created in His image (Imago Dei).

MONDAY  
Deuteronomy 30:19
Pray for women facing crisis or unplanned pregnancies — that they would find the courage and support to choose life.

TUESDAY  
Luke 5:32; Revelation 12:11
Pray for women hurt by past abortion decisions — that they would find healing, and would have opportunities to share their testimonies to protect others from experiencing similar hurts.

WEDNESDAY  
Acts 20:27; Romans 3:23
Pray for pastors — that they would have the urgency, grace, and courage to teach and council about abortion and the forgiveness and healing that is available because of the cross.

THURSDAY  
Psalm 103:13
Pray for fathers — that they would love, support, and defend their children as men of integrity. Also pray for men who carry abortion shame to come to Christ for forgiveness.

FRIDAY  
2 Chronicles 7:14; Proverbs 31:8-9
Pray for our state and nation — that we would turn from our wicked ways, that we as a people would defend the weak and helpless — culturally, politically, and individually.

SATURDAY  
Proverbs 24:11; 2 Thessalonians 3:13
Pray for those on the front lines of pro-life ministry in pregnancy counseling, education, government, and more — that they would be protected, encouraged, and resilient.
