**GARDINER AND THE SURROUNDING AREA IS HOME TO AN ABUNDANCE OF TALENT**

Ceramicists, clockmakers, digital artists, fiber artists, mixed-media artists, painters, sculptors and metalworkers. The area is framed by stunning cliffs, the Shawangunk mountains, farmland and forest. Gardiner has it all—hiking, skydiving, birdwatching, rock climbing, backroad cycling and a world of creativity.

Each tour presents new work and new experiences. Don't miss this opportunity to meet the artists where they work, learn about their process and take home a unique work of art. Visit our sponsors offering fine food, beverages, yoga, massage, outdoor gear and more. Support local businesses that support local talent.

Masks may be required in some studios
