Prof. Mack Scogin  
Principal  
Mack Scogin & Merrill Elam  
Architects  
Thesis Advisor  
[ms@msmsearch.com](mailto:ms@msmsearch.com)

## PROFESSIONAL REFERENCE

Erik G. L'Heureux, AIA, LEED AP  
Former Principal, 212box LLC  
Former Associate, Perkins+Will  
Assistant Professor, NUS SDE  
Principal, Pencil Office, Singapore  
[elheureux@gmail.com](mailto:elheureux@gmail.com)

## COMPUTER EXPERTISE

ACAD  
Rhinoceros  
Photoshop CS6  
Illustrator CS6  
InDesign CS6  
Afterschool  
ArcGIS  
Revit Architecture

## PLUS

Verbal and written  
bilingual proficiency in:  
English  
Mandarin  
Cantonese

Imperial & metric system competent  
Holds US Permanent Residency

## EDUCATION

### Harvard University, Graduate School of Design

Masters of Architecture, 2012

Thesis "The Creation & Sustainment of Memory through Architecture".

### National University of Singapore (NUS SDE)

Bachelor of Arts (Architecture), 2005

Honors Thesis "Recipro-City: Siem Reap Cambodia Masterplan, Time-shared Backpackers Inn & Agronomy center for Land-less Farmers".

## PROFESSIONAL DESIGN EXPERIENCE

### Terra Cura Inc. | BOS | 2014 Nov ~ present | [www.terracura.org](http://www.terracura.org)

#### Co-founder, Director of Design & Strategic Partnerships

Executive design oversight on land-based projects using regenerative development framework. Advance the field of sustainability by connecting top-down professional and bottom-up grassroots resource through systems thinking and management support. Oversees content generation for marketing material and business development.

### Peter Rose + Partners | BOS | 2012 Jul ~ 2016 Apr | [www.roseandpartners.com](http://www.roseandpartners.com)

#### Design Associate

Specializing in design, production of presentation and construction drawings, physical and digital 3D-modelling, project management and construction administration for single-family new construction.

### Perkins+Will | NYC | 2007 Feb ~ 2008 Apr | [www.perkinswill.com](http://www.perkinswill.com)

#### Design Associate

Part of lead design, project management and construction administration teams for medium to large scale commercial projects in Middle East and New York City. Produced presentation and construction drawings, physical and digital 3D-modelling.

### 212box LLC | NYC | 2005 ~ 2007 Jan | [www.212box.com](http://www.212box.com)

#### Design Associate

Part of lead design, project management and construction administration teams for high-end commercial interior projects in New York and Singapore. Produced presentation and construction drawings, physical and digital 3D-modelling. Choreographed photo-shoots with professional architectural photographer for marketing material production.

### Saks Fifth Avenue | NYC | 2006 Oct ~ Dec

#### Design Consultant

Freelance interior store planning & drafting for various SAKS stores nationwide. Works under direct supervision of Creative Director.

## EXHIBITION | AWARDS | COMPETITION

### Studio Representative, StudioWorks Exhibitions

Metamorphosis — Singapore Institute of Culinary Art, NUS, 2003.

Lobotomic Façade — Commercial high-rise in the Central Business District [SG], NUS, 2004.

Core 2nd Semester — Rare Books Library, Northend, Boston MA, Harvard GSD, 2009.

Core 4th Semester — Recreation Center, Willets Point, New York NY, Harvard GSD, 2010.

### Winner of MIPIM Architectural Review Future Projects Awards, 2009

Lead design team - Kempinski Hotel & Residences Sail Tower, P+W, 2008.

Lead design team of over 40,000sf new construction and 30,000sf of renovation for a renowned Jewish high school in Brooklyn, New York, 2007.

### Long-listed RIBA International Design Competition for Tristan da Cunha

Regeneration plan for the most remote island in the world, "Dressing up for Resilience", 2015.

Interest in a diverse range of design and research subjects - from permaculture, vedic science, productive landscapes, soil microbiology. Believes in innovative and experimental educational strategies. Seek and create engaging, balanced learning environment through mindfulness practice, research, design iterations and fun hands-on experience.

## CERTIFICATION | TRAINING

### Brain Management Consultant

IBREA USA, International Brain Education Association, 2014 Feb.

### Vastu Architecture

Maharishi University of Management

Vedic Green: Building your Maharishi Vastu Home & Community, 2014 Apr.

### Permaculture Design Certification

Sowing Solution - Ecological Design & Permaculture Education, 2014 Jul.

### Soil Microbiology

Soil Food Web Training by internationally re-knowned Soil Microbiologist Elaine Ingham, 2014 Sep.

## TEACHING | OUTREACH

### Harvard GSD Career Discovery

**Final Review Guest Juror** for summer design program for high-school and prospective architecture students, 2010 Aug

### Harvard GSD Dept. of Landscape Architecture

**Teaching Assistant** for CI0632300 Brownfields Practicum: Regeneration and Reuse of Brownfield Lands. Assisted lead instructor in organizing class materials. Provided one-on-one guidance for students with learning class materials and project research, 2011 Fall.

### Permaculture Design Certification

**Teaching Assistant** for Sowing Solution's immersive ecological design course at Sirius EcoVillage at Shutesbury, MA. Provided 1:1 student guidance for design conceptualization, on-site survey and assessment, 2015 Mar.

### RakeHarvard Campaign

**Community Coordinator** for a pilot initiative to get students, faculty, and staff to rake leaves around the Harvard Campus. The goal is to reduce noise and air pollution from mowers and blowers, while engaging Harvard community members in a simple, productive and healthy activity. A joint effort between Harvard Loeb Fellowship, GSD and Terra Cura, 2015 Fall.

### Public Design Charrette for

### Somerville Community Growing Center

**Presentator & Organizer** of public design studio for the re-design of SCGC, a 1/4 acre urban garden in Somerville MA, 2016 Jan.

## INDEPENDENT RESEARCH

### Center for Geographic Analysis Harvard University

Part of ArcGIS software training - Analysis of Red Tides Intensity & its Relation to Natural & Man-made Patterns at Gulf of Mexico, 2011 Jun.

### Dept. of Landscape Architecture Course ADV 0910800

Phyto-remediation Technology for the Containment and Treatment of Military Munitions & Explosives (TNT ,RDX), 2012 Jan.

### Appropriating Vernacular Space: Ideology, Identity and Architecture : Yuhu Elementary School Expansion Project, Lijiang , China (UNESCO)

Design and logistic team. Participant in publication, design research, on-site survey for a design-build project on an UNESCO site in Lijiang, China, 2002.

## PUBLICATIONS

Reinterpretation and Innovation of Vernacular Architecture -Yuhu Primary School& Community Center in Lijiang China: SDE NUS, 2005.
