Article I -- Purpose

1. The purpose of this conflict of interest policy is to protect IAPMD’s interests when it is contemplating entering into a transaction or arrangement that might benefit the private interests of an officer or director of IAPMD or might result in a possible excess benefit transaction.

2. This policy is intended to supplement, but not replace, any applicable state and federal laws governing conflicts of interest applicable to nonprofit and charitable organizations.

3. This policy is also intended to identify “independent” directors.

Article II -- Definitions

1. Interested person -- Any director, principal officer, or member of a committee with board or delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

2. Financial interest -- A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
   a. An ownership or investment interest in any entity with which IAPMD has a transaction or arrangement,
   b. A compensation arrangement with IAPMD or with any entity or individual with which IAPMD has a transaction or arrangement (compensation includes direct and indirect remuneration, as well as gifts or favors that are not insubstantial), or
   c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which IAPMD is negotiating a transaction or arrangement.

3. Independent Director -- A director shall be considered “independent” for the purposes of this policy if he or she is “independent” as defined in the instructions for the IRS 990 form or, until such definition is available, the director --
   a. is not, and has not been for a period of at least three years, an employee or contractor of IAPMD or any entity in which IAPMD has a financial interest;
   b. does not directly or indirectly have a business relationship with IAPMD, which might

affect independence in decision-making;

c. is not employed as an executive of another corporation in which any of IAPMD’s executive officers or employees serve on that corporation’s compensation committee; and

d. does not have an immediate family member who is an executive officer or employee of IAPMD or who holds a position that has a significant financial relationship with IAPMD.

Article III -- Procedures

1. Duty to Disclose -- An interested person must disclose the existence of the financial interest and be given the opportunity to disclose any material facts to the Board or Committee.

2. Self-Recusal -- Any director may recuse her/himself at any time from involvement in any decision or discussion in which the director believes he or she has or may have a conflict of interest, without going through the process for determining whether a conflict of interest exists.

3. Determining Whether a Conflict of Interest Exists -- A financial interest is not necessarily a conflict of interest. After disclosure of the financial interest and all material facts, and after any discussion with the interested person, she/he shall leave the Board or Committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board or Committee members shall decide if a conflict of interest exists and, if so, whether to waive it.

4. Procedures for Addressing an Issue Presented by a Director or Officer Who is Not Independent --

   a. An interested person may make a presentation at the Board or Committee meeting, but after the presentation, she/he shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.

   b. The Chairperson of the Board or Committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.

   c. After exercising due diligence, the Board or Committee shall determine whether IAPMD can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

   d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Board or Committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in IAPMD’s best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.

5. Violations of the Conflicts of Interest Policy --

a. If the Board or Committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.

b. If, after hearing the member’s response and after making further investigation as warranted by the circumstances, the Board or Committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Article IV – Records of Proceedings

The minutes of the Board and all committees with board delegated powers shall contain:

1. The names of the persons who disclosed or otherwise were found to have a financial interest the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board's or Committee's decision as to whether a conflict of interest in fact existed.

2. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

Article V – Compensation

1. A voting member of the Board who receives compensation, directly or indirectly, from IAPMD for services is precluded from voting on matters pertaining to that member's compensation.

2. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from IAPMD for services is precluded from voting on matters pertaining to that member’s compensation.

3. No voting member of the Board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from IAPMD, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

Article VI – Annual Statements

1. Each director, principal officer and member of a committee with Board delegated powers shall annually sign a statement which affirms such person:

   a. Has received a copy of the conflict of interest policy,

   b. Has read and understands the policy,
c. Has agreed to comply with the policy, and
d. Understands IAPMD is a charitable organization and in order to maintain its federal
tax exemption it must engage primarily in activities which accomplish one or more of its
tax-exempt purposes.

2. Each voting member of the Board shall annually sign a statement which declares whether
such person is an independent director.

3. If at any time during the year, the information in the annual statement changes materially, the
director shall disclose such changes and revise the annual disclosure form.

4. The Board President shall regularly and consistently monitor and enforce compliance with
this policy by reviewing annual statements and taking such other actions as are necessary for
effective oversight.

**Article VII – Periodic Reviews**

To ensure IAPMD operates in a manner consistent with charitable purposes and does not
engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be
conducted. The periodic reviews shall, at a minimum, include the following subjects:

a. Whether compensation arrangements and benefits are reasonable, based on
competent survey information (if reasonably available), and the result of arm's length
bargaining.

b. Whether partnerships, joint ventures, and arrangements with management
organizations, if any, conform to IAPMD's written policies, are properly recorded, reflect
reasonable investment or payments for goods and services, further charitable purposes
and do not result in inurement or impermissible private benefit or in an excess benefit
transaction.

**Article VIII – Use of Outside Experts**

When conducting the periodic reviews as provided for in Article VII, IAPMD may, but need not,
use outside advisors. If outside experts are used, their use shall not relieve the Board of its
responsibility for ensuring periodic reviews are conducted.
