Northern Arizona
Healthcare Foundation

MARCH 24, 2018 | BLAZIN' M RANCH | LOVENFAMILYRUN.COM

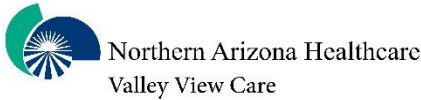

Brought to you by:

MARCH 24, 2018 • BLAZIN' M RANCH

The Loven Family Run, benefiting Valley View Care and EntireCare Rehab & Sports Medicine, is an exhilarating experience designed for all ages. The 2K run/walk; 5K run/walk and 10K run takes participants on a looped course beginning at the historic Blazin' M Ranch and through scenic Dead Horse Ranch State Park. Following the race, participants are treated to a good old-fashioned country breakfast.

Valley View Care, a 12,000-square-foot assisted-living facility in Cottonwood, specializes in compassionate, patient- and family-centered end-of-life care. Their comprehensive services include 24-hour care, meal preparation, personal care, and pain management, all in a beautiful environment. Northern Arizona Healthcare opened the facility in 2014 with the support of significant contributions from individual donors.

The therapists and specialists of Northern Arizona Healthcare's EntireCare Rehab & Sports Medicine department have the education and hands-on experience required to provide comprehensive, individualized treatment plans and therapies. Each specific type of therapy – occupational, physical, hand and speech – is considered a specialty, and plays an important role in the rehabilitation process. The EntireCare team functions as a cohesive unit, where all members share information and knowledge. The ultimate goal is the patient's improvement and return to the highest possible functioning level.
