# TAG ARTIST MEMBER SHOW

## *Postmodern Reactions*

February 18 - March 14

**RECEPTION: Saturday, February 22, 6-9 PM**

TAG Members present *Postmodern Reactions* in the upcoming member artists group show. The exhibition will run from February 18 - March 14 with a reception on Saturday, February 22, from 6-9 PM.

Postmodernism appeared in the late 20th century as a reaction to traditional and Modern art and critical practice. The movement was characterized by a distrust of grand theories and ideas, oftentimes rejecting established notions of "art." In *Postmodern Reactions*, TAG members respond to the movement in their own unique and diverse ways. The artist showcase will appear in our East and West Galleries.
