

APPLY TO CURATE A HEADLINE SHOW AT PECKHAM 24 2021

The Peckham 24 team are delighted to announce a call for exhibition proposals for a headline show at Copeland Gallery. The Peckham 24 Open Call supports the festival's mission to champion new talent in contemporary photography. This is a funded opportunity for a UK based curator and includes a fee for the curator and their exhibiting artists.

CALL FOR EXHIBITION PROPOSALS ON THE THEME OF SOLIDARITY

The 2021 festival will be curated on the theme of SOLIDARITY in response to the waves of public protest the world witnessed whilst under lockdown in 2020. Peckham 24's programme will showcase work by contemporary artists in synergy with the narratives of global movements such as Black Lives Matter, Me Too and Reclaim The Streets. We are seeking proposals that reflect this curatorial theme.

THE WINNING PROPOSAL WILL GET:

- A headline exhibition space at Copeland Gallery for Peckham 24 2021
- A £2,000 fee to be split between the curator and their exhibiting artists
- Mentoring from the Peckham 24 curatorial team
- A print production budget from Spectrum Photographic
