**"Remain in me, as I also remain in you. No branch can bear fruit by itself; it must remain in the vine."  
- John 15:4a**

In order to know Jesus, one of the most important practices for your spiritual growth is taking time to read, reflect on, and respond to the Bible regularly in order to let it form your life.

There are two parts to being formed by Scripture - the mind and the heart. We must understand what the text is saying with our mind and we must take Scripture into our heart so that our will and motivations are changed by the power of the Holy Spirit.

These passages in this reading plan are aimed at helping you better understand what it means to follow Jesus.

Our prayer is that you will read this in partnership with a Christian who can serve as a coach and a guide to following Jesus. The idea is that both of you would read the passages listed for the week and then get together once a week to talk about your life and what the Bible is saying. This isn't intended to be a complex Bible study (so neither of you have to be experts!). It's more focused on how God is speaking to you through the Bible.

You can ask questions like:

- What struck you from the reading this week?
- Was anything challenging?
- Was anything encouraging?
- Was anything confusing?
- What's Jesus teaching you?
- Are there specific behaviors or thoughts you need to change?
- How do you need to respond to the reading?

We would encourage you to pray for each other at the end of each time of discussion.

There is no script. The goal is to talk about your life in the context of the Bible so that together you can both know and become more like Jesus.

As you read and talk, if any questions come up and you need a little more guidance or if you would like to share how this is helping draw you closer to Jesus, feel free to email Justin Jordan at [jjordan@reallifetv.church](mailto:jjordan@reallifetv.church)
