Homework

Week 4 of the May
Homework Calendar

Math

. We will continue to work on addition fluency skills.
We will introduce subtraction with objects/

Reading

This week, we will study summer. We will learn about
summer activities and summer weather. We will work
on blends and middle sounds in CVC words. We will
continue to work on sight words.

Writing

We will work on using writing prompts to answer
questions using pictures and details. We will continue
to work on using uppercase letters to begin a
sentence, using spaces in writing, and using periods at
the end of a sentence. We will continue to work on
writing alphabet letters.

Connected & Respected

We will review and practice skills we have learned
this year.

Science

We will continue to discuss engineering. The students
will construct their own bridges and test their
strength.
