Theme: Family/Friends/Feelings

Welcome everyone!! We are off to a great start. We have been learning about each others families!!! We have been identifying different feelings and what they look like and how they make us feel. We are also making new friends! If you haven't sent in pictures of your family, please do. It makes our family conversations more fun.

Have a great week!!!!

This week we will be continuing to work on lots of skills:

- Recognizing our first name and the first letters of our name
- Begin spelling our first names
- Naming colors and shapes
- Identifying the letter F/f
- Positional Word: Up & ON
- Sharing with our new friends and learning about them
- I will be assessing general knowledge through play activities.

Please send in some pictures of your family members this week and labels of who the people are. We will be discussing family. I will return the pictures to you!!

I have meetings scheduled to evaluate a new student. I will be in and out of the room on Tuesdays at different times.
