

Miss Troxel's Newsletter for the Week of September 11, 2017

We had a busy week last week. We started Science and Connected and Respected. We will continue our project about the sun in Science this week.

Reading – Our themes this week will be Weather and School. We will be reading books about the weather and school. We will have a new list of weekly high frequency words. The students will have a list of words to practice at home.

Phonics – We are practicing letters and sounds. We will be working on decoding and writing cvc (consonant –vowel-consonant) words.

Writing – We will start working on sentence structure this week. We begin writing paragraphs. We are also working on handwriting.

Language – We will continue to practice nouns and we will be working on identifying opposites.

Math – Kindergarten and First Grade are working on number concepts and categories. Second grade is working on numbers within 1,000 and identifying greater and less.

Homework – A list of opposites are attached to the newsletter. Help your child practice naming the opposites and complete the cut and paste opposite worksheet. Please continue to practice the weekly Spelling and High Frequency Words.

Reminders- September milk money is due.
